SEA TURTLE CONSERVATION

Mote's Sea Turtle Conservation & Research Program includes staff, interns and volunteers who have documented sea turtle nesting activity and the status of shoreline habitat for more than three decades along 35 miles of Sarasota County beaches. Their findings contribute to the statewide understanding of nesting trends. Data show that nesting by loggerhead turtles declined and then rebounded in recent years, while green turtle nesting — although very low in numbers — has increased. Nest destruction by predators has also increased during the same time period.

Tips for Beachgoers from the Mote Aquarium website:

Sea turtle nesting season takes place from May 1 - Oct. 31 on Southwest Florida beaches. On nesting beaches, light from waterfront properties can disorient nesting female turtles and their young, which emerge at night and use dim natural light to find the sea. Also, beach furniture, trash and other obstacles can impede sea turtles and their young.

Here are some “do and don’t” tips to keep our beaches turtle-friendly:

- DO stay away from sea turtle nests marked with yellow stakes and tape, and seabird nesting zones that are bounded by ropes.
- DO remain quiet and observe from a distance if you encounter a nesting sea turtle or hatchlings.
- DO shield or turn off outdoor lights that are visible on the beach from May through October. Use FWC approved turtle-friendly lighting products.

- DO close drapes after dark and stack beach furniture at the dune line or, ideally, remove it from the beach
- DO fill in holes that may entrap hatchlings on their way to the water.
- DON'T approach nesting turtles or hatchlings, make noise, or shine lights at turtles.
- DON'T use flashlights, head lamps or fishing lamps on the beach.
- DON'T encourage a turtle to move while nesting or pick up hatchlings that have emerged and are heading for the water.
- DON'T use fireworks on the beach.
- DON'T walk dogs on Sarasota or Manatee county beaches— but check county websites for exceptions such as Brohard Paw Park in Venice.

Association had no insurance, everything that we do in the clubhouse would have to go through park management for permission and approval, and would involve signing waivers, etc. The general expenses include kitchen supplies, cleaning supplies and the speaker system.

OLD BUSINESS: Don Bromley asked about the new location for the informational sign, park management has not determined the new location until the gate is complete. Donna Glaser said that there were about 100 people at the Easter Brunch and thanked Mie Fitzgerald for manning the waffle station.

NEW BUSINESS: Events are to continue throughout the summer, and other events will pick up in the fall. See the calendar and Splash for details. Volunteers are needed next season to host brunches and to chair events. Different people with new ideas make these events successful. Safe travels, and we look forward to seeing everybody in the fall! May 9th is the next, and last Association meeting until the fall. Don Bromley spoke about the upcoming Memorial Day Brunch from 10-12PM, it is a potluck event.

Meeting adjourned at approximately 6:55PM. Motioned by Deb Caldwell and seconded by Pauline White.

Respectfully submitted, Cindi Fitzgerald, Secretary.

Stand UP Games - For a Healthier YOU!

Mondays and Wednesdays from 2:00-4:00

Come to the clubhouse to play any one of our "Stand UP" Games - Pool, Cornhole, Table Tennis, Indoor Shuffleboard or Jenga. We have a variety of opportunities that we can take advantage of right here in our own clubhouse. This community is fortunate to have so many games and activities for all to participate in - but many of them are in our seats. Our Bocce and Shuffleboard groups play in season when the temperatures allow. Those games are difficult to continue in the summer heat. Let's get up and out of our homes and chairs to have some fun in the clubhouse during the heat of the day and play a Stand UP game with your neighbors. All skill levels welcome to play or learn an old favorite or something new. If you love to dance - we will have music for your dancing feet as well. We all know that moving is better than sitting for our minds, bodies, and souls.

It goes without saying, but no Kentucky Derby outfit is complete without a show-stopping topper. We're talking fun fascinators with feathers and flowers galore; over-the-top hats in vivid shades with wide rims and chic tulle; statement headbands with embellishments... the list can go on and on. Whether you're heading to Churchill Downs to take part in the horse race-watching festivities or hosting a party of your own at home. Wear your hats and come over to the clubhouse for some Derby fun!

Have you seen this agave plant getting ready to flower right here in Spanish Lakes??? It is twice as tall as the house already - it lives on Spanish Lakes Drive.

There are over 250 types of agave plants - the one on the right is just one example of how enormous the flowering stalk can get. We will have to see how tall the one we have here will be!!!

Best of Venice Winner for 2023

It's a New Life

Blair Post, HAS, BC-HIS, ACA
Board Certified Hearing Instrument Sciences
American Conference of Audioprosthology

Having these hearing aids has given me a whole new life.

Best quote from a first time wearer Karen has ever heard. I've told her about patients crying in my office who heard clearly and it overwhelmed them. After all these years, she had a guy just oozing with happiness over his new hearing aids.

First time wearer, Dennis, was referred to us. After being fitted and wearing his new hearing aids for a few weeks he came in for a follow-up visit.

Dennis walked in smiling and gushed to Karen how his new hearing aids have given him a whole new life.

It wasn't just big things but the small moments also added to his enjoying life more.

The TV volume is softer so his wife can watch with him, that's an enjoyment. She doesn't constantly repeat herself, that's an enjoyment. He hears her from the other room so she isn't annoyed having to track him down, that's an enjoyment.

Even the small noises he had forgotten about were a blessing to have back. The first day he wore the new hearing aids, he could hear the beep of the coffee maker so he knew his cup was finished brewing. Dennis no longer had to wonder if it was done, he was confident.

Talking to friends at restaurants is so easy now that he is more relaxed and feels more connected.

The happiness that Dennis is feeling flows from him. While he was in my office he smiled the whole time.

Seeing another person's life transformed into happiness by wearing hearing aids gives me great joy for my purpose.

If you struggle to hear clearly and would like to find out if hearing aids can add to your happiness, call for a free demo, 941-244-9300.
