## FROM YOUR PRESIDENT

Hello Neighbors,

Well, here we are in May and a lot of our friends and neighbors have left, leaving us here to survive the summer. As always, please be vigilant and aware of what's going on in our community. With less eyes to watch, it's in all our best interests to be extra conscientious, not just for unwanted activity, but also keeping an eye on our neighbors during the hot months coming. I wanted to remind anyone with anything in the storage area to contact the office with your equipment information, including current registrations. Anything not accounted for may be removed by Sun to open up spots for those on the waiting list.

As is usually the case during the summer, our event calendar is somewhat limited, but, we will try and keep everyone involved with the activities we have planned. May will have our usual events, starting with Tish's Kentucky Derby party. May's luncheon will be a baked potato bar with all the fixings. We'll have a nice Mother's Day dinner as well as a Memorial Day service and luncheon. Any ideas you might have for events are always welcome.

Speaking of this, our clubhouse is available to all residents for any private or hosted events. In this regard, there is a cadence that should be followed.

First is selecting an open date, which can be done by checking with the board. After that, coordinate with the office to fill out a form for hall rental along with a returnable \$50 deposit. The expectation is that the kitchen and the hall will be left in the condition found, with tables, if moved, returned to original spots. Any food items should not be left behind, and the kitchen should have all silverware and plates washed and put away. If coordinating an event for the community you would still need an open date, the deposit is waived but other expectations remain.

Another item in regard to our usual events hosted by your HOA is that Pam will begin adding a column on the sign-up sheets for volunteers to help with the events in set up or clean up. I know a lot of people want to help but don't know exactly how to be involved, so hopefully this clears up some of the confusion and lessens the burden on those that now do the setup, the cooking, the serving and the cleanup. We as a board appreciate all volunteers. In closing, let's all hope for a quiet summer and safe travels for our summer trips and our snowbird friends.

Regards,  
John Lane  
HOA President
