Rockin' the Cove Pop Up at the Marina with "The Other Band"

Our residents enjoyed the music and pizza truck. Many joined on their boats in the marina.

CIVIC PRESIDENT'S MESSAGE

Submitted By Gail McGrath

Here we are into May already. As of the writing of this article, most of our snowbirds have returned north for the summer season. I can already tell that Harbor Cove is much quieter than it was during the past few months.

Some of the April activities included Easter Sunrise Service (which was attended by over 100 residents & guests), a 2nd clothing swap, the last dance of the season, and the last Bingo and Trivia nights. For the Easter Sunrise Service, refreshments were provided in our newly designed & decorated Hospitality Room. What a great turn-out! Various other activities such as some card games, corn hole and water aerobics will continue throughout the summer. Any residents & guests are encouraged to enjoy our nice, air-conditioned billiards room, work a puzzle or enjoy our lovely library.

Civic is still looking for someone to chair the Summer Fun committee. Please contact me via phone, email or PM if you're interested. Keys will be available for the Summer Fun closet for anyone who needs them. Just let me know and I'll provide you with the board members' name that will have them.

Again, if anyone has any interest in volunteering on any Civic committee or serving on the Civic Board of Directors, please contact any Civic board member listed in the monthly bulletin. Have a great summer!

VIEW FROM THE HELM

Submitted by Zbig Korzenko

Ahoy Mateys! I'll start with a follow-up for the events since the last bulletin. For the March 22nd Charity Dice Roll, weather and river conditions were perfect and was a fun time! We anchored 18 boats on the beach and 22 prizes (hams) were awarded. We also raised \$245 for the Shriners Children Hospital. Thank you Tom Garlie, Laurie Fredrick and crew for doing this event.

On March 18, all Harbor Cove residents were treated to the annual Ice Cream Social as a show of appreciation for all the support the boat club receives from residents over the course of the year. 329 servings of yummy ice cream were given. Thank you Cathy Cartier, Laurie Fredrick, Jan Korzenko and team for a delicious time.

For a change of pace, madness ensued on April 12 as the boat club hosted a golf cart scavenger hunt. All harbor cove residents were asked to join the fun and

were very excited to do so! We ended up with 102 participants. One task to score points was to take a picture making a donation for St. Jude Children's Research Hospital (\$50 was donated). For 2 hours, craziness ensued throughout the community. Fortunately, everyone survived, no one lost a limb and much fun was had by all! While waiting for the judges to verify the winners, participants enjoyed pizza at the clubhouse patio. Cash prizes were awarded to the top 3 teams (1st \$100, 2nd \$75 and 3rd \$50). This event takes many people and many days of effort to pull off. Thanks to Jan Korzenko, Debra Seibert, Debra Starkey, Gail Bessette, JoAnn Gall, Ellie Wikle and everyone else that helped to make this such a great success!

As this season winds down, we only have one last event scheduled until November:

May 2nd at 4:00pm the Boat Club will be hosting a Kentucky Derby Party at the clubhouse main hall. This event is **OPEN TO ALL HARBOR COVE RESIDENTS**. Ladies, get your fascinators on and bring a Mint Julep!

As this being the last "View from the Helm" I'm writing until November, I would like to wish everyone a safe, wonderful summer with many great experiences!

Thank you and as always, wishing all of you fair winds and calm seas.

FLEA MARKET NEWS

Submitted by Judy Shearer

Wednesday Boat Club Pick Ups will be ending for the summer.

The last pick-up will be on Wed. April 29th.

During summer months we are only a phone call away. If you have items you'd like to donate, please give us a call and we'll set up a convenient time to pick them up. Let us know if you are in need of assistance, or looking for something we will try and help you out.

We THANK YOU for all the donations and help in the past. It helps the Boat Club continue to improve and support the whole community.

Have a safe, healthy, wonderful summer!

The May Communications Committee Report

– Hello Harbor Cove! We have LOTS to report to you this month.

First, let me give you updates on the 4 concerns brought up last month.

Concern #1 – The ovens in the clubhouse kitchen.

RUMOR: the ovens do not hold the correct temperature. **What we learned.** When Tom was the manager, he had North Port Appliance come in and test all burners and ovens. Each of them passed the test as being accurate. Jim Dietz then tested the ovens over a 2-3 hour time period and also said they were fine. Vicki McClellan tested them again in April 2026. **TRUTH:** The ovens work just fine! Most likely, the problem is this: People have placed large quantities of very cold food into the ovens and yet expected their food to be done in the same amount of time as a normal amount of cold food. Committee members suggested that we place a sign in the kitchen explaining how to use the ovens appropriately which we have done. **Issue Closed.**

Concern #2 – Why are some people who have left the park still on Facebook?

RUMOR: Some people leave HC and are instantly removed; others are still on. This is playing favorites. **What we learned.** There was no established process between the front office and the FB administrators concerning this issue. **TRUTH:** The main administrator, Cheryle Jayne, has worked with HC office and developed a process so that when people leave the park and are no longer share owners (that is, they also do not have any rentals here), they will be removed from Face Book. However, should someone fall through the cracks, please just contact Cheryle, who will be glad to follow through with the process. **Issue Closed.**

Concern #3 – What is happening with gathering correct email addresses from residents?

What we learned. Nancy in the front office is including this in the document all residents fill-out as they are signing out of Harbor Cove for the summer. While this will not catch everyone, Nancy will have a much better database of email addresses. Then in the summer, she will be able to determine next steps to obtain any that are missing. **Issue Closed.**

Concern #4 – Would the committee please post Harbor Cove's Rules and Regulations

TRUTH: We ALL need a “refresher” of the R&Rs, yet most of us do not want to read all 22 pages of them!

What we have done. CC has created a summarized overview of the 8 sections of the R&R document. Consider this the Reader’s Digest version, the Cliffs Notes, the highlights. This shortened version is in no way meant to replace the full document nor serve as a commentary. We simply wanted to provide you with the gist of each section. You will find our “refresher course” in this bulletin and posted on the Bulletin Board outside the front office. If you want to read the whole document, you will find it in Pitera, on the Harbor Cove website. **Issue Closed.**

And now for some additional info:

Lori Casiano drove through the park and identified 17-19 non-working street lights.

She reported this to Wayne who contacted FPL. All have now been fixed. Thank you, Lori and Wayne!

NOTE: Whenever you see something amiss in the park like this, call the front office or email Wayne at harborcovegm@gmail.com.

Communications Committee has partnered with the Long Range Planning Committee to create an Assessment Survey. LRPC will be asking all Harbor Cove residents what their priorities are for improving our community. Be on the lookout for this next season when everyone comes back to the Cove.

In case you didn’t see this on Pitera, here are the new committees and their chairs for 2026.

Board Member Committees	Chairperson

Ad Hoc Committees- there are none at this time.

House Chair: Susie Gaines

*Board liaisons are non-voting members of committees.

That's all for this month! Safe travels if you're going up North for the summer. And as always, please contact the Communications Committee if you have any concerns or questions about a Harbor Cove issue and you don't know whom to contact or you want to remain anonymous. We will do our best to track down an answer for you.

Together, we are working to improve the Cove!

AN UNEXPECTED GIFT

By Beverly Causey

Eight of us, incidentally all members of the HC Singles Group, were having dinner recently at Culvers. As usual, it was full of fun and laughter. We were approached by two gentlemen who introduced themselves as Veterans of the Marine Corp. They said most groups have leaders and wondered who in this group was the leader. We all pointed to Carol Farley. They told us they were delighted to see this group enjoying time together and wanted to give us a gift for a future fun get together. They gave Carol a gift card for a future dinner for the whole group at Culvers. We were astonished, thanked them for their gift to us and repeatedly thanked them for their service to our country.

Recently, we did enjoy a dinner together and it was full of fun, laughs, including a special reminder of the kindness shown by these two Veterans.

SINGLES

Submitted by Carol Farley

Jan Arnold was in charge of preparing the calendar for April, she included breakfast at Perkins. Lunch at Olive Garden and Sharks. Dinners at Culvers. We enjoyed Easter dinner at the clubhouse and our usual 4th Friday pot luck.

We plan to stay active all summer, calendars are posted on our bulletin board in the clubhouse.

AMC BRIEFS

Submitted by: Irene White 941-423-3304

The Association of Myakka Communities (AMC) is comprised of Harbor Cove, Harbor Isles, LaCasa, Lazy River Village, Village at Riverwalk. Representatives from each of these mobile home parks meet on a monthly basis. Each park has 2 – 4 volunteer residents attending the meetings.

The March 18, 2026 meeting was held at Lazy River. The following is a summary of the topics discussed. Future annual meetings may invite only three speakers since it is hard for them to stay within their allotted time frame.

LaCasa health fair is held every January. Harbor Isles health fair is every February.

Harbor Isles only Zooms meeting in the off season. In person attendance is encouraged during the season. LaCasa Zooms all meetings. Lazy River is starting a townhall meeting structure in March.

Homeless issue on private owned land between Harbor Isles and Riverwalk resolved thru Commissioner Ron Cutsigner's office. Trespassing violations issued, person(s) removed by law enforcement.

Electric bikes are in all of our communities; as long as the bike has pedals, registration or stickers not required. Speed is the concern.

Background check procedures for potential ownership were discussed. Verifying applicants credit history. The use of an outside agency (\$100.00 fee) to find any serious offenses and help with discrimination issues are some of the methods used.

Next meeting April 15, 2026 at Riverwalk.

Our Rules and Regulations

The Communications Committee has been asked by many residents to give a “refresher” course on the R&Rs of Harbor Cove. In an effort to provide this educational information to you without overwhelming you, we have created a Reader’s Digest version for you with the main highlights from each section. (The Cliffs Notes, if you will.) If any of this piques your interest and you want to read the whole section, please check onto Pitera and read all 22 pages! Now, let’s get started...

Let us wrap our heads around our R&Rs

Harbor Cove Rules and Regulations – effective 02/01/2024

Compliance

- Any resident may report a breach of the R&R by providing a written notice to the Association Manager.
- All unit owners, tenants, guests, visitors, employees, and management will conduct themselves in accordance with the Conduct Code.

Senior Housing Community

- The Harbor Cove Resident Owned Community is operated as a senior housing community for residential purposes only. The residents and family, with a maximum of three (3) occupants, may occupy a home. One occupant per home must be 55 years of age and all other occupants must be at least 40 years of age.
- Residents must advise the Association Office when leaving the community for more than one month and should provide a caretaker’s phone number, alternate contact information where they may be reached in the event of an emergency.

The Manufactured Home

- All exterior work requires a submitted and approved Association ARC Form and an Association Permit issued prior to the commencement of the work.
- Only patio furniture should be visible from the street
- No outdoor power equipment may be used between 7:00 pm and 8:00 am
- Exterior siding, roofs, and driveways shall be maintained in a clean and safe condition with no mold or mildew visible.
- 4" address numbers must be displayed on the home or carport post and visible from the street
- Owners are responsible for regular pruning and trimming of all trees and bushes located on their unit. Weeds in flower beds and islands must be removed on a regular basis.

Common Areas, Facilities, and Amenities

- No bare feet, cleated shoes, or wet swimsuits are allowed in the Clubhouse, North Rec Center, or Association Office.
- After calling 911 in the event of any emergency, on common property, residents should promptly notify the Association at 941-426-2806 24/7 or use the emergency numbers posted on all facility doors.

Guests

- All guests and their vehicles staying longer than forty-eight continuous hours must be registered with the Association Office.
- Guests may occupy a home in the resident's absence with a written consent of the resident provided to the Association Office. All guests are limited to a stay of not more than 30 days during a calendar year.
- Guests parking of recreational vehicles will not be permitted in the resident's driveway or common areas. No overnight lodging in a recreational vehicle will be permitted within the community.
- All guests under sixteen (16) years of age may use the recreational facilities only when accompanied by a responsible adult.

Pets

- All dogs and cats must be registered at the Association Office annually. Registration must include proof of current immunization and a full-body photo.
- Pets must not be tied outside the home unattended. Outside pet shelters are prohibited.

- Pets must be under the control of the owner and on a leash any time they are outside the home. When walking pets, no pet may be beyond 5 feet of the edge of the road and residents and / or guests must carry suitable containers to pick up and properly dispose of all solid waste immediately.

Vehicles, Boats, and Trailers

- All vehicles must be parked in the owner's carport, driveway, or golf cart pad. No vehicles are permitted to park on the lawns.
- All resident's vehicles in the community must have current registrations and a Harbor Cove sticker. Residents' golf carts must also prominently display an identification number issued from the Association office.
- For residents and guests, golf carts may only be driven by individuals who have been issued a valid state issued driver's license.

Purchasing, Renting, and Selling a Home

- Anyone seeking residency in Harbor Cove, whether for purchasing a home or for renting a home, must complete an Application for Residency Form and submit the completed form to the Association's office.
- A home shall not be rented / leased for less than two (2) consecutive months.

If you would like to read the R&Rs in their entirety, please follow these instructions to Pitera on the public Harbor Cove website.

1. Open Pitera website by typing in: harborcove.org
2. This will bring you to HC public website. (The R&Rs are made public so that potential buyers are able to see what they are.)
3. Open Public Documents.
4. You will see PDF – Rules & Regulations
5. Hit PDF.
6. Enjoy reading all 22 pages of our R&Rs!

Storage Compound News

Submitted by Alan Westerberg

By the end of May I will be leaving for my lake cottage in Connecticut. Also many boats will be removed from the storage compound and put under carports for the summer.

Sometimes that results in residents that need an extra space for a work trailer or car using that open space but don't be concerned, if you have a assigned spot it remains yours and typically the space is only used for a few days or weeks.

Most recently we completed and got fully operational the security cameras, thanks to our part time worker Larry. Still waiting to get corrected is our lighting, which is controlled by Florida Power & Light. They have been unresponsive to our request to repair our lighting and correcting our low wires problem in the rear of the storage compound. Our manager has now filed a complaint with the public utility commission so we expect some response to our complaint sooner than later.

If you have stored equipment you have not used this year I suggest you look into selling it. We do not allow items to be stored and turn into derelicts. When we observe or receive complaints of unused items we will contact the owner to determine what your plans are. It is the only way to continue to maintain access for all owners of the community that desire to use this amenity.

Our summer month team for overseeing the storage compound can be reached as usual by the compound phone number 941-234-9062 or contact the office and they will get a hold of them. I will be keeping the records and watching over the details from the north until my return in October. If there are any other year round resident that would like to help them just let them know. Typically the summer months are not very demanding so I hope that continues. In the meantime I keep all the records and after many years of handling the facility I am only a call away if I am needed.

Happy summer folks.

Long Range Planning Committee News

Submitted By Alan Westerberg

At the March Board of Directors meeting the Board postponed the decision on the pool deck expansion to get time to gather additional financial information. There were also concerns of how the expansion might affect the storm drain just outside the wall. An engineering firm had previously rendered an opinion that it did not present a problem but when it comes to environmental issues rules always change. Due to these concerns, we changed the plan to only expand the pool deck area behind the current pavilion. I am advised the Board will be deciding on the project at the April meeting, and its outcome is public knowledge by now.

Most recently I was asked "what's the Long Range Planning Committee's annual budget". Well, we have no budget! The committee simply exists to represent the residents and their desires and what is the communities' priorities for the future. It also has always given the managing Board of Directors and community manager guidance on what the priorities are for the future. Generally, we look 3, 5, even 10 years out into the future and supply the voice of the community to those that manage.

At our current meetings we continually evaluate an obsolescence list and other long-term objectives. Historically, the LRPC considers proposed enhancements, improvements and updates to maintain and improve the experience of the community members, often developed from input from the community. Then after review we make recommendations to the BOD for changes.

I hope that helps explain our existence and offers some guidance as to where and how improvements and new amenities are developed and old ones are cared for.
