CO-OP CLIPS

Stu Cooke, Horizon Village Co-Op Inc. President, 239-217-4843

Well, we have all comfortably made it into the New Year! The Horizon Village community vehicle is humming along on all cylinders, and everyone appears to be enjoying the lifestyle presented to them. The activities are plentiful, the residents are partaking in events, and there are plenty of smiles to go around. There are a fair number of new residents moving in. Home sales have been fairly steady, so let us welcome the “newbies” and share our wholesome living arrangement with them.

There has been an abundance of talk over the proposed sale of the park. Please remember that one of the most vital things to do is to make the office aware of your mailing address. We have many residents failing to notify the office that they are either here or have left. All items related to Membership votes and Special Meetings go to the address we presently have on file.

It seems, at least I have not heard to the contrary, that the Bus Trips went extremely well. All the residents were appreciative, and some said that it was fun. The threshold and Director vote should be in the rearview mirror as of this writing. Regardless of the outcome, the process will move on. There has always been a rough outline as to how things might progress or develop. The schedule would be as to how your level of acceptance or questioning the process became apparent to the offerors. It seems now that the financial, investment, and legal meetings will be arranged over the next month and a half. The Board of Directors and MHM would like all shareholders and leaseholders to be comfortable as we head to negotiate a potential Purchase & Sale agreement – before everyone heads north again at the end of this season! While this is a tall task, it can be accomplished. Management asks that you enjoy the wonderful weather and the reasons why you decided to make this your retirement destination. The Board, MHM, and our legal team understand how it might be confusing for you. We ask you not to doubt the sincerity of any actions taken. Everything is being done to ensure that you – the resident – may enjoy your time here.

SOCIAL ACTIVITY COMMITTEE

Vicki McMahon, Social Activity Committee Liaison, 419-366-2966

I must comment on the success of our New Year’s Eve celebration in the clubhouse! Thanks to all of you for coming out to dance to the music of the Del Prados, eat, and socialize with friends. The hors d’oeuvre tables were overflowing with amazing delights. Kudos to those of you who stayed for the midnight hour to usher in 2026 and all the hope it signifies. The committee and all who helped did an amazing job!

Another Flea Market is under our belts and maybe you found something useful or an item you just had to have? A little shopping and a little lunch were great ways to spend the morning. Thank you to all the volunteers.

February is brimming with activities, and we are in full season mode. Start the month off playing DJ Bingo, then try your luck at the Golf Cart Poker Run followed by a lite sandwich supper at the clubhouse. Feeling competitive? How about participating in the Scavenger Hunt and challenging your observation skills? Nipping at the heels of February will be the Jigsaw Puzzle Competition on March 1st.

Casino Night on February 28th has been postponed until a later date. We will keep you updated.

The Social Activity Committee is committed to working together and with community participants to keep you entertained and involved with activities. We do it because we love our community! We appreciate your support, whether it is volunteering, chairing an activity or event, or buying tickets and showing up. When we witness the clubhouse buzzing with fellowship, then we know our mission is successful. It has been heartwarming to see many of our new residents join and get to know their new community. What better way to say “welcome” than that?

Happy Valentine’s Day! “Love is more than a noun- it is a verb; it is more than a feeling- it is caring, sharing, helping, sacrificing.” – William Arthur Ward

Veteran's Spotlight

Jeanne Carufel, 239-997-1252

We thank you for your Service!

Don Arkell
Royal
Canadian Air
Force

Don served in the Royal Canadian Air Force from 1959-1969. He was stationed in Trenton, Ontario, in Marval, France, and in Lahr, Germany.

Don worked on aircraft and transport command equipment, repairing and inspecting them for operation. He also worked on search and rescue dealing with smaller aircraft.

Tom Brashears
U.S. Army

Tom served in the U.S. Army from 1965-1968. He trained at Ft. Jackson in So. Carolina and later served in Augsburg, Germany and Greece. Tom was a radio communications operator whose responsibility was to receive and dispatch orders.

Tom states his most significant experience was learning how to ski in Germany. In fact, he and his wife Lynn toured Europe, including Germany, as recently as 2023. They also enjoy going to all the Octoberfests.

Aline Brouillette
U.S. Marine Corps

Aline served in the U.S. Marine Corps from 1982-1986. She was in college at the time so she served on weekends and, in the summer, she went to various camps. Aline got her basic training at Parris Island in So. Carolina and served as an administrator at Camp Lejeune in No. Carolina and Camp Pendleton in California. Because there were only 2% women in the Marines at that time, when at Camp Pendleton, her quarters were separate from the men. She had to sleep in a Quonset hut two miles away. Every day she jogged to meet up with them in order to begin her day. Aline says she was in the best physical shape ever and, although it was the hardest experience she has ever gone through, it made her strong and she would gladly do it again! Aline received an Honorable Discharge as an E-4 Corporal.

Karen St. John
U.S Army

Karen served in the U.S. Army from 1975-1978. She entered her basic training at Ft. McClellan in Alabama and then transferred to Ft. Devens in Massachusetts. For 19 months Karen served in Okinawa and was later transferred to Kelly Air Force Base in Texas. Having given a security clearance, Karen was an ASA (Army Security Agency) who intercepted the Morse Code.

Karen is proud of the fact that her son is a Navy Officer. On another note, she and her husband were once on a cruise ship and were asked where they wanted to sit for dinner. The table they chose were all men who served in the U.S. Army, and all worked for the Army Security Agency. Indeed, it was an interesting evening.
