## **CIVIC PRESIDENT'S MESSAGE**

*Submitted By Gail McGrath*

Happy New Year from the Civic Board of Directors!

My name is Gail McGrath and I am your incoming Civic President. I've been a seasonal resident here for 10 years. My husband, Mark, and I have been visiting Harbor Cove since 1983.

He's a 3rd generation resident. We reside at 511 Blackburn Blvd for the season, then go to northern Wisconsin for the summers to enjoy the change of seasons.

Our hospitality room has been fully repaired and restored thanks to some wonderful volunteers and our dedicated employees. Most activities have resumed including pot luck starting in January, trivia, dances and cards....just to name a few. Please take time to glance at the Contacts & activities list in the monthly bulletin to find what would interest you.

There are many opportunities to volunteer within Harbor Cove.

Please consider helping out or serving on a committee. Volunteers are the heart of our community.

## **ROC President's Message**

*Submitted by Susie Gaines*

Greetings:

I hope your holiday was full of family and joy and that your new year is all you are looking forward to.

I just want to send out a reminder that going on other residents property is not acceptable. I am sure you understand why I make that statement and the consequences that come from trespassing. It is especially important as we move forward with so many new homes coming into our community. I understand we are all excited for our fellow residents receiving these new homes. However, it is not acceptable to go on any job site for any reason. That holds true for all residents, including board members and/or staff members. If assistance is needed, the appropriate person or persons will be notified by the SRQ representative and invited onto the premises. These new homes belong to the SRQ program until they are completed and paperwork has been signed to transfer to the resident.

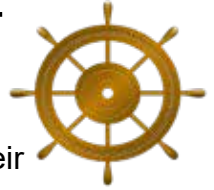

It would sadden me if we lost the SRQ program in our community because we wouldn't stay off these properties that don't belong to us.

Thank you for your understanding in this matter.

Respectfully,  
Susie Gaines

Ahoy Mateys! Hope all of the boat club members are enjoying their return to Harbor Cove and the warm weather. I am sure it is better than the snowy cold up North.

The last month or so has been a busy one for the boat club. The Dice Roll was organized by T. Garlie and 7 boats participated with about 30 active gamblers and 6 residents who pre-paid but could not attend. Sixteen turkeys were distributed to the winners and \$90 dollars was donated to St. Jude's. A big thank you goes to Tom for leading this endeavor. If any club member would like to help organize an event this year, or any event in the future, please contact a board member or myself.

A great big thank you also goes out to the large group of volunteers who helped install the Christmas lights throughout the park. This includes Dave and Rich from the maintenance crew who spent one Saturday installing the lights on all of the palm trees. We had a small issue with rabbits chewing on the insulation on the light strings. The affected strings were replaced and rabbit mitigations have been completed. The park looks great at night and hope everyone enjoys riding around and seeing the lights.

**The removal of the lights is scheduled for Jan. 10th at 8:30 starting in the clubhouse parking lot. We will need plenty of volunteers for this, so please mark your calendars now. Everyone is welcome.**

Sharon Cox stepped up and organized the ladies Christmas luncheon on Dec. 5th at Heron Creek golf course, with the help of Carol Pearsall and Terry Ehman. The event was attended by 35 people and a great time was had by all. Prize drawings were held and everyone enjoyed a tasty lunch prepared by the golf club chef. Sharon is looking for a volunteer to step up and lead this activity next year, so please consider this chance to get involved in a great event. We would have to cancel this if no one volunteers to lead it.

## **Clothing Swap**

*Submitted by Tammy O'Brien*

The 2026 winter Clothing Swap will be held on Saturday, January 24 (11:00-1:00) in the upstairs clubhouse.

We will accept donations of gently used clothing, shoes, accessories and swimwear for both men and women. Please look over your items before donating to be sure everything is stain-free with no holes, tears, loose buttons, etc. We would greatly appreciate your help by pre-sorting your donations by size and gender. Then label the box, tote or bag before donating. Thank you in advance

Donations may be brought up to the clubhouse during Tuesday ticket sales on January 13 and 20. This activity, like others at Harbor Cove, relies on volunteers. I will need some help on donation Tuesdays, many hands to help set up on Saturday morning as well as packing up left-overs in the afternoon. We like to donate the left-overs to organization(s) that help folks in need. I am looking for a volunteer to coordinate this for me. We have lots of leftovers so it is very important to have arrangements made.

The last way that you could help would be by loaning or donating large, covered storage bins. We use these to store sorted donations. We would only need them from January 12 until after the swap.

All Harbor Cove residents are invited to join us for the Swap. It is a free event. You do not need to donate to come and "shop". It is a fun boutique experience. Everyone is sure to find a few new things.

## **BLOOD DRIVE – January 9th.**

*Submitted by Kirk Bodwell 978 422-6242*

Happy new year to all.

The big red bus will be here 9-3 on Fri Jan 9th. We need donors and they will be given a \$20 gift card and another gift.

We had 14 donors this past November—it would be nice if we could double that for January as there is a shortage.

Get ready by eating some high iron foods and be willing to spend about an hour on the bus.

Sign up in clubhouse lobby.

## **JANUARY HOME OF THE MONTH**

*Submitted by Carol Farley*

Plat 3 directors Penny Root and Carol Farley selected 506 Blackburn as the January home of the month. Neat, tidy landscaping, along with a welcoming bench to share with visitors. Warm colors to show off our Florida sunshine.

*Congratulations to January's home of the month.*

## **AMC BRIEFS**

*Submitted by Irene White 941-423-3304*

The Association of Myakka Communities (AMC) is comprised of Harbor Cove, Harbor Isles, LaCasa, Lazy River Village, Village at Riverwalk. Representatives from each of these mobile home parks meet on a monthly basis. Each park has 2 – 4 volunteer residents attending the meetings.

The following is a summary of the topics discussed at the November 19, 2025 meeting.

Final plans for the annual AMC meeting February 18, 2026 in LaCasa starting at 10:30 am including speakers confirmed. Speakers are Sarasota Commissioner Ron Cutsinger; Alice White successful plants in Florida yards; Michael Rodrigue Fire Safety; Walter Breuggeman, Dept. of Florida Transportation. Each community will get poster information since this is open to the public.

AMC By-Laws were reviewed and changes will be voted upon in January.

Other topics covered included:

New permitting rules require a certain amount of vegetation to balance fresh/brackish pond water. Our ponds are too old to be under the new rules.

Questions about the cost of new bingo machines and pool temperatures were asked.

Clarification of what is required for accepting new residents. As long as the Community's Governing Documents are very specific with their requirements, issues should not arise.

Next Meeting January 21 in Harbor Cove, North Rec Building 9:30 am.

## **Leaseholders**

*Submitted by Leasehold to Sharehold Ad Hoc Committee*

### **OBTAINING A SHARE**

A number of residents have asked about what would be required if an existing 99-year leaseholder wanted to acquire a share and become member of the Resident Owned Community (ROC) and what would be the additional requirements and responsibilities. There seems to be some interest in the community for this and we would like your opinion on this matter.

As it stands currently, there is nothing in the Harbor Cove rules that directly addresses this. The current policy has been that a share could be purchased by anyone, such as renter or a 99-year leaseholder at the established share price. In the past there have been purchases of shares of ROC-owned properties in the past by renters, but not by 99-year leaseholders. The difference between renters and 99-year leaseholders is that renters have no ownership in a property, just tenant rights, but leaseholders own a leasehold interest in a property, which entitles them to ownership privileges and responsibilities for a set time period as set forth in the lease. In Harbor Cove most of the 99-year leases have about 40 years left on them. After the 40 years are up, ownership of the lot cedes to ROC.

If a person were to acquire a share, they would have full membership and would be able to vote on ROC matters and participate in any ROC Boards or committees. Fees would change as shown. Fees are as of January 1, 2026, pending ROC Board approval.

	Share Owner	99-Year Leaseholder
Annual		
Maintenance Fee	(\$175/mo.) \$2,100	\$ 99
Marina Charge	\$ 400	\$ 750
North Recreation		
Building Charge	\$ 0	\$ 285
Compound		
Storage Fee	\$ 200	\$ 750
Mowing Fee	\$ 0	\$ 360

If a 99-year leaseholder were to acquire a share, the question becomes, "On what terms?" Should ROC charge for the share or do an "even swap", that is give up the 99-year lease in exchange for a share ownership? It is the opinion of some residents that an even swap, a lease traded for a share, would be of benefit the Community. There would be immediate improvement in the cash flow from the annual maintenance fee with long-term, positive benefits as well as more participation in ROC with new members joining.

This is an item that may be proposed in the coming months. A group has been discussing the pros and cons of this proposal and would love to have your input. We will be having a discussion of this after the open forum in January or you can email at [hcadhoc12s@gmail.com](mailto:hcadhoc12s@gmail.com)

*Submitted by Liz and Gary Stigen*

Potluck, a volunteer-run activity, welcomes all residents and their guests.

It is served on the second floor of the Rec Hall on the third Thursday of every month, Jan through April. The volunteers report at 4:00 pm. Socializing begins at 5:00 pm. Dinner is served at around 5:30 pm. The committee is currently chaired by Liz and Gary Stigen. We ask for 4 volunteers every month to help with set-up and clean-up. If you would like to help, call Liz at 763-754-6650.

The committee provides ice, a meat entrée, and bread.

Attendees bring a dish to pass and serve about 12, their beverage of choice, and their own silverware. Currently, we collect \$2.00 per person at your table before the meal to offset the cost of the meat and supplies.

We look forward to seeing you there!

## **Recipe (just for fun)**

*Submitted by Karen Caudill*

A few years ago I included a kindergarten written recipe in my monthly civic president report. I've had several people ask me to submit some of these again. These special recipes are from my kindergarten students over the years. They are certainly not kitchen tested or approved, but hopefully will bring a smile to your face.

### **M&M Cookies**

*By Sara G.*

Mix together in a big blue bowl:

6 pounds of sugar

2 gallons of milk

2 eggs ( but not the shell part)

1 gallon of oil

Stir it together for a long time until your arm hurts.

Then roll them into little balls and push them down flat. Put 5 or 6 M&Ms on each cookie and bake them in the oven at 48° for 1 hour. They are delicious!

## **Storage Compound News**

*By Alan Westerberg*

I arrived this year in early October to find that our storage compound well cared for by our summer committee members Diane Aliperti and new member Bill Madden. As usual, as many of you arrive, I returned to Connecticut until after the holidays, so our committee members are again answering the storage compound dedicated direct phone line. I am

confident they will continue to meet any needs for new assignments.

I will be taking renewed action on "derelict" items this year. I have to continue to do this unpopular exercise every couple of years when I see boats or campers not used. When I observe stored equipment unused, I investigate. Often a boat will not be used for some period of time due to a medical issue with the owner. Happily, some times in a few months or next season I see the boat being used again. This year I have my eye on 4 items that are unused, and slowly deteriorating. Those owners will be asked to sell or dispose of those items if there is no good reason for them to be aging in place.

If you get a new item, please request a new identification permit sticker. Each sticker bears an individual number that we record and use to identify who owns that equipment. You may notice all these stickers indicate "HC permit 2016" that was just the year we started using that numbering system and means nothing more than to identify the owner. Also don't forget to affix your current state registration stickers. Every year we are asked about numerous boats and trailers with expired state registrations. The vast majority when documents are checked in the office show they are current.

Please do not hesitate to ask for assistance if you have trouble getting into your space. Occasionally we have some equipment parked crooked or not within the assigned space and we can solve that problem for you. Don't take a chance causing damage to your own or your neighbors stored items.

Lastly, our committee always welcomes new members. This is a working committee that performs a needed service for the community. Assigning parking spaces, policing usage, keeping our facility clean and well maintained, reviewing and revising policy. We typically meet once a month and each member of the community is responsible for duty two weeks during high season. If you feel you would like to serve the community in this way, seek me out to apply. The compound phone number is unchanged 941-234-9062. If you need us call the cell during business hours. If the "duty officer" is not immediately available, please leave a message for a return call.
