MANAGER'S REPORT

City of Venice Water Main/ Lift Station Project

The city will be replacing the water service line from the water mains to the meters, so the public side of the service. They are taking pre-and-post construction videos and will be replacing (with like kind or better) anything they dig up - yards, driveways, streets, or other.

They will also be doing some work at the lift station on the corner of North Park 2nd Avel, more specifically they will replace approximately 26 feet of 10-gravity main from the manhole at the intersection of 2nd Ave and N Park Ave to the sewer lift station.

The city will provide RPZ Backflow Preventers for all properties on the perimeter if they do not have one. In addition, the city will replace old fire hydrants and possibly add one or two new hydrants, if applicable.

The city is about 60% complete in planning this project with an anticipated start date of mid-January.

Tennis/Pickleball Court Seating

We realize the seating on the courts is limited, however placing furniture from the pool area onto the court will ruin the court surface. Please refrain from adding miscellaneous furniture to the courts. If there is a need to add seating, we can discuss this with the Rec Board.

Mangrove Trimming

The mangrove trimming around the perimeter and the canal is on schedule for this fall.

New Palm Trees & Large Palm Tree Trimming

Many palm trees were lost in the storms of 2024, and we are revisiting the addition of palm trees around the park. The large palms will be manicured this month.

Welcome Back

Residents are starting to return to the park for the fall/winter season. Please inform the office when you arrive. Don't forget to get your parking sticker for your car. Thank you!

Seawall Update

The Board is still in discussion regarding the seawall repair project. To date, we do not have a signed contract with a marine contractor. When we have more information, we will communicate to the residents in a timely manner. We appreciate everyone's patience and support as we move forward with this important capital improvement project.

SCAM ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble.**
Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**
Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions.** They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

I It's that time of year: voting for the Best of Venice. Our local Gondolier Newspaper is holding its annual Best of Venice voting now. You can click the QR code to be directed to voting for all your favorites in our area.

As a small business owner this is one of the few ways, we are honored. Please take a moment to cast your vote.

And, I want to say thank you to everyone who has voted for over the years. Your support and continued encouragement resulted in us being awarded Best of Venice—multiple titles and multiple years as both winner and finalist—Reader's Choice multiple years, and Small Business of the Year. I appreciate all the support and everyone who took their time to vote for us.

I am proud to have consistently offered service that is recognized by you and honored to receive so many awards over the years that our wall of awards has expanded onto another wall. Thank you for entrusting me with your hearing, I am glad I earned your respect.

Almost twenty years ago, I opened my own office and chose to treat all my clients as if they are family. When I chose this profession, I was inspired by my mother MaryEllen. She was very social and offering her a solution for her life allowed her to live her best life.

Thank you in advance for voting for the businesses you adore and trust.
