Most homeowners don't realize what's happening underneath their home...

- Rotting subfloors
- Mold and musty odors
- High A/C bills
- Deteriorating AC ducts

YOUR CRAWLSPACE SHOULD BE CLEAN, DRY, AND PROTECTED

Signs you have moisture issues:

- Musty smell inside your home
- Floors feel soft & spongy
- High energy bills
- Visible moisture or standing water

MOISTURE DOESN'T FIX ITSELF

FLORIDA MOBILE HOME SPECIALISTS

- Vapor barrier installation & replacement
- A/C duct repair & full replacement
- Hurricane anchors & tie-down systems
- Leveling, Skirting, and Windows
- It gets worse over time
- It spreads damage throughout your home

THE HAPPENINGS

Silver Dollar Rule Reminders:

10mph Speed Limit – Please obey the speed limit! No speeding!

Please watch for other drivers, walkers, golf carts and children.

Parking – All vehicles must be parked at the resident's home or in the overflow golf/restaurant parking lots. Parking at the pool area is only for the use of the swimming pool. Overnight parking is not allowed in the swimming pool area.

Trash Compactor – Please ensure that all trash and unwanted furniture are placed properly inside the compactor or dumpsters. Do not leave items outside of these areas.

When trash is left outside or dumpsters are overfilled, it can lead to equipment damage, create extra work for the maintenance team, negatively impact the appearance of the community, and result in additional costs from our trash service provider.

Thank you for doing your part to help keep our community clean and attractive for everyone.

Pet Owners – Dogs must be always kept on a leash, and owners are responsible for removal of pet "waste". Please do not walk your dog or allow them to run off a leash on the Golf Course. Also keep them out of the lakes and ponds.

Driving Golf Carts – You must be at least 16 years of age and have a valid Driver's License to drive a golf cart anywhere on the property including the Golf Course.

Storage – If you plan on putting a boat or trailer in our storage area you must first check with the office for availability and complete a storage agreement.

Are you on the **Call Multiplier** list? We use this to call/text residents when we have, for example, a water emergency and the water must be turned off or the compactor is broken. Call the office if you want your phone # to be added.

The office is printing **Silver Dollar Resident Phone Books;** you can pick one up at the office. If you want to be added to the resident phone book or if any of your information needs to be updated, please call or come into the office to make the changes.

If you plan on making any changes to the exterior of your home, e.g. painting, pavers, additions, landscaping, please come into the office to complete an **Exterior Modification Form.**

The office also has a **Customer Service Form** available for you.

While we are attempting to ensure a harmonious community, some situations are positive in nature, but sometimes incidents occur which infringe on your enjoyment. To remedy this, we ask that to complete the Customer Service Form and submit it to the office.

NEWS FROM DAVEY ON THE GOLF COURSE

Fall weather is finally here!!!

We should start seeing a slowdown in the rough growth starting this month with these cooler temperatures. We have experienced a lot of rain this past month, causing certain sections of the golf course to flood. This has slowed us down on the mowing, so we do appreciate your patience. On the 26th of this month, we will be overseeding all the tee boxes, the fairways, and the greens during this time we will have watering windows to make sure that the seed germinates and grows properly. We will keep golfers off the tee boxes so that they germinate as fully as possible. The new re-sprigged greens are growing nicely. These rains have definitely helped give them a boost of natural nitrogen. We are going to continue to push our fertilizer and fungicide program on all of our greens, so that they continue to shine and be as healthy as possible for our upcoming Golf season.

COURSE CARE CORNER

Help Us Keep Our Course in Great Shape!

The condition of our golf course depends on all of us! By following a few simple guidelines, we can protect our greens, fairways, and overall playing conditions so everyone can enjoy the course at its best.

A LITTLE EFFORT GOES A LONG WAY!

Fill Your Divots - Please use the provided sand to fill your divots in the fairways. This helps the grass recover faster and keeps our playing surfaces in better condition.

Keep Carts 20 Yards from the Greens - Please keep all golf carts at least 20 yards away from the greens to protect the delicate turf surrounding our putting surfaces.

Cart Path Only on All Par 3s - For the protection of our course, all par 3 holes are cart path only. Thank you for helping us maintain these areas.

Follow Posted Cart Restrictions - When cart path only signs are posted, please follow the restrictions. These guidelines are important for protecting the course, especially when conditions are wet or the turf needs extra care.

Pair Up When Possible - Please plan to have two golfers per cart whenever possible. Sharing carts helps reduce traffic across the course and minimizes wear and tear on the turf.

WE APPRECIATE YOUR HELP!

If we all make a conscious effort to follow these simple guidelines, we can help improve course conditions for everyone to enjoy. Taking care of our course is a team effort, and your cooperation makes a difference!

Thank you for helping us keep our course beautiful and playing its best!

Along with the course, **PLEASE HELP WITH RETURNING THE RANGE BASKETS.** Please do not remove them from the golf course area. Thank you for your cooperation!

Let's have a fabulous Season!!

NOTE FROM THE EDITOR:

Welcome back to the Snowbirds that have returned so far!

Happy 50th (WOW) Anniversary to Larry and Debbie Blaisdell!

Friendly reminder, if you are utilizing the laundry facilities, please be courteous and remove your items from the washer/dryer promptly as others are waiting to use the machines. It notifies you on your app when your laundry is ready to flip or fold. The app is One Tap Away. Much appreciated. Featured below is the App:

On the smellier side, please pick up your dog poo whether in the grass or on the road. No one likes to see, smell, or step in poo. Also, bags are provided along with waste cans in the park and in the dog park as well. It's rather convenient. Please prevent your pooch from digging gigantic craters in the dog park. It's dangerous to everyone.

All dogs must be leashed when out and about.

E-bikes and Scooters, the speed limit applies to you all as well. It's 10 mph.

SAVE THE DATE

Silver Dollar Ladies Luncheons in the Hospitality Room will be held on the 3rd Wednesday of each month beginning in January! Details to be forthcoming!

Just a little FYI, feeding bread and such to our local wildlife like our ducks, birds, cranes, etc can be deadly to them. Please refrain from this. A good alternative is a birdfeeder. It's a lovely idea and best of all, it attracts all kinds of beautiful birds! If you're really digging feeding wildlife, check out Fox's Feed Depot on 16820 Gunn Highway in Odessa for great feed and advice! And obviously, NEVER feed the gators!

INTERESTING FACTS ABOUT FLORIDA

1. Florida was named Florida after the first contact to the land was made by a Spanish explorer Juan Ponce de Leon on April 2, 1513. The explorer named the region, La Florida ("land of flowers").
2. Before the arrival of the Europeans in Florida, Native American tribes have been living in the region for several thousand years.
3. Florida has the second longest coastline of all the contiguous states. Only Alaska has a longer coastline. It is also the only state that borders both the Gulf of America and the Atlantic Ocean.
4. Florida is the flattest state in the U.S. followed by Illinois, North Dakota, Louisiana, Minnesota, Delaware, and Kansas.

MOSQUITOS

Watch out for mosquitos! Dengue Fever Alert! Hillsborough County has the largest number of reported cases! Mosquitos are very active with all the rain locally as of late. Please dump/remove all standing water so the pesky things are less likely to breed! Wear long sleeves whenever possible especially in the early morning hours and early evenings!

GAME DAY RECIPE: FOOTBALL CHEESEBALL

Ingredients

- 1 garlic clove
- 1/4 tsp. kosher salt
- 1/4 cup fresh parsley, roughly chopped, plus more for garnish
- 1 Tbsp. roughly chopped fresh chives, plus more for garnish
- 1 Tbsp. fresh dill, roughly chopped, plus more for garnish
- 8 oz. cream cheese, at room temperature, diced
- 8 oz. Monterey Jack cheese, grated (about 2 cups)
- 1 Tbsp. sour cream
- 1 tsp. Worcestershire sauce
- 1/4 tsp. paprika
- Juice of 1/2 lemon
- 1 Tbsp. black pepper, plus more to taste
- 2/3 cup packed light brown sugar
- 1 lb. bacon
- 1/3 cup walnuts or pecans
- 4 slices white American cheese
- Crackers, pretzel thins, and cut-up vegetables, for serving

Directions

1. On a cutting board, chop the garlic, then sprinkle it with the salt and mash it into a paste with a fork.
2. Transfer the garlic paste to a food processor along with the parsley, chives, and dill. Pulse until finely chopped, about 10 times. Add the cream cheese, Monterey Jack, sour cream, Worcestershire sauce, paprika, lemon juice, and a pinch of pepper and process until well combined, about 30 seconds.
3. Transfer the cheese mixture to a sheet of plastic wrap and fold the plastic around the cheese. Use the plastic wrap to help form the cheese into a football shape. Refrigerate until firm, at least 1 hour and up to overnight. Meanwhile, preheat the oven to 350°F. Line two baking sheets with foil.
4. In a shallow dish, whisk together the brown sugar and 1 tablespoon black pepper. One at a time, press each slice of bacon into the sugar to coat both sides. Arrange in a single layer on the prepared baking sheets.
5. Bake until the bacon is browned at the edges and starting to crisp, about 25 minutes. Transfer the hot bacon to a wire rack to cool completely. (If it cools on the baking sheets it will stick.)
6. Spread the nuts on a baking sheet and bake until fragrant, 5 to 7 minutes. Let cool.
7. Finely chop the bacon and nuts and combine in a large shallow bowl. Unwrap the cheese ball and carefully roll it in the bacon mixture to coat it completely. Transfer the cheese ball to a platter. Use clean hands or a piece of plastic wrap to gently reshape it into a football pressing in any loose bits as needed.
8. Using a sharp knife, cut the American cheese into ½-inch-wide strips. Place one strip across each end of the football, trimming as needed, and another strip lengthwise down the center. Cut four more strips about 2½ inches long and arrange them crosswise over the center strip to form the laces. If needed, use a small dab of sour cream to help the strips adhere. Scatter additional chopped herbs around the cheese ball to resemble turf. Serve with crackers, pretzel thins, and cut vegetables. ENJOY!

Tip: The cheeseball can be made up to 2 days ahead; wrap it tightly in plastic wrap and refrigerate. Add the bacon-nut coating and reshape just before serving for best texture. Leftovers can be stored in an airtight container in the fridge for up to 3 days.
