I It's that time of year: voting for the Best of Venice. Our local Gondolier Newspaper is holding its annual Best of Venice voting now. You can click the QR code to be directed to voting for all your favorites in our area.

As a small business owner this is one of the few ways, we are honored. Please take a moment to cast your vote.

And, I want to say thank you to everyone who has voted for over the years. Your support and continued encouragement resulted in us being awarded Best of Venice—multiple titles and multiple years as both winner and finalist—Reader's Choice multiple years, and Small Business of the Year. I appreciate all the support and everyone who took their time to vote for us.

I am proud to have consistently offered service that is recognized by you and honored to receive so many awards over the years that our wall of awards has expanded onto another wall. Thank you for entrusting me with your hearing, I am glad I earned your respect.

Almost twenty years ago, I opened my own office and chose to treat all my clients as if they are family. When I chose this profession, I was inspired by my mother MaryEllen. She was very social and offering her a solution for her life allowed her to live her best life.

Thank you in advance for voting for the businesses you adore and trust.
