CO-OP CLIPS

*Stu Cooke, Horizon Village Co-Op Inc.
President, 239-217-4843*

As we welcome the start of the fall season, please remember to keep an ever watchful eye on the weather forecasts. The peak of storm season is upon us and all it takes is one severe storm to change the landscape of that which we all have worked so hard for. Management and all Boards agree that being prepared is key for your survival during those calamitous times. Please take a few minutes to establish a plan, and to check your supplies, if the need to evacuate is announced; you'll be glad you did!

The summer has been steady with a host of activities and a smattering of events to occupy our time. Please remember to keep participation in social events at the top of your list! Interaction with your peers really helps in keeping you mentally independent and the Association places a high value on giving you plenty of options for participation. All residents are requested to think about the upcoming "season", it is coming and our snowbirds (along with you) will be searching for more and more things to do. If you have a fun idea, please share it with the Social Activity Committee for consideration, check the front or back covers of this newsletter for the person to contact.

In closing, this space would like to remind all shareholders and leaseholders that the rules and regulations are still enforceable and will be, no matter who might be the governing body of the community. The speed limit is 15 MPH for all our safety, grandparents and grandkids alike. Our dexterity levels might not be as sharp as they once were and the visiting kids might not be responding as we would expect. Please take your time and be respectful, for all our sake. The pool rules are to be adhered to as well. No drinks in the water or on the "wet deck". No inflatables, jumping or diving is ill-advised also. The pool is not the place to have a plaything whizzing by one's head either! Please... remember to be mindful of those around you.

SOCIAL ACTIVITY COMMITTEE

*Vicki McMahon, Social Activity Committee Liaison,
419-366-2966*

A belated thank you to Phyllis DiNunzio, who I forgot to include as one of my July 4th volunteers in the newsletter last month!

September ushers in the beginning of football season, Labor Day, vague thoughts of upcoming holidays, and the dreaded height of hurricane season. Keep yourself in storm-ready mode and heed warnings from authorities.

Monday, September 7th is Labor Day and there will be a brunch potluck at 10:00 am. Be sure to sign up, show up, and tickle the taste buds, all while socializing with your neighbors. Tammy Truitt will be entertaining us this month on Saturday, September 19th from 7-10pm. Tickets are \$10 and will be on sale Mondays from 10:00 am- 12:00 pm in the clubhouse. Join S.A.C. for a take-home lunch of a pulled pork sandwich, chips, beverage, and dessert on September 22nd. Follow the bulletin board in the clubhouse for information and details about upcoming events.

The committee has been discussing how the end of the year will develop for entertainment and activities and we welcome suggestions or submissions for event proposals. You don't have to be on the committee to hold an activity or event. Just submit your idea with details on an event proposal form. Turn it in to the S.A.C. office mail slot in the clubhouse or bring it to the monthly meeting at 11:00 am on the first Thursday of each month when the proposal will be reviewed. It is best to plan your proposal two to three months in advance to allow for the process and to get maximum advertising for the event. You can find event proposal forms above the bookshelf in the clubhouse hallway where the bulletin board and restrooms are located.

In closing, I would like to extend an invitation for all community members to join in the activities and events that take place in our clubhouse. We have had the pleasure of welcoming new community members to some of our recurring weekly activities and are developing friendships that might not have happened otherwise. If you have been absent and miss the camaraderie, please come back and join in. Just like Motel 6, "We'll leave the light on for you." Translation: Everyone is welcome, so come on down!

"Community is much more than belonging to something: it's about doing something together that makes belonging matter." Brian Solis

HVA HORIZON VILLAGE ASSOCIATION

Karen Senesac, 614-313-7339

First of all, we'd like to thank all those who came to our Golden Lemonade and Karaoke Social. We "relished" hearing all the nice comments on the different types of lemonade and the best hot dogs in town!!! We appreciated those who sang along with us!

Our August Lunch-to-go was a success! We served delicious Sloppy Joes along with chips, dessert and everyone enjoyed a cold bottle of water.

We have been working on a draft of the HVA By-Laws and the Administrative Rules. These will be reviewed and approved by the HVA board. They will be ready for residents and MHM to review after the park sells.

Our General Board Meeting will be taking place at the clubhouse on Saturday, September 12th at 9:30 am. Coffee and snacks will be available beginning at 9:00 a.m. We are excited to announce that our monthly speaker will be Paul Smith from MHM Communities. He will be updating everyone on the progress of the PSA (Purchase and Sale Agreement) and what we can expect in the future. He will be happy to answer any questions.

ALL RESIDENTS ARE INVITED AND ENCOURAGED TO ATTEND!

RECIPE OF THE MONTH

Ruth Kucij, 978-500-9459

There are lots of great cooks in Horizon Village and we have sampled your recipes many times at potlucks, brunches and holiday dinners. I have been told that years ago the newsletter published HV residents' recipes and, if space allows, I would like to bring back that tradition by including a recipe each month in the newsletter. Contact me if you would like to participate.

If you attended the Golden Summer Lemonade and Karaoke event, you may have tasted those delicious lemon cookies. Well, they were baked by Judy Wade, following an old family recipe.

MR. P'S DELIGHT (LEMON COOKIES)

Judy Wade, 239-822-6130

Ingredients:

- 1 Box Lemon Cake Mix
- 1 egg
- 1 8 oz tub of Cool Whip
- Confection Sugar

1. Mix together the cake mix, egg and cool whip until it gets to a stiff consistency.
2. With a melon ball scope, drop the balls in the confection sugar.
3. Place on parchment papered cookie sheet.
4. Bake at 350 for 11 to 12 minutes.

BOWLING – BOWLING – BOWLING

Dave Bisone, 815-257-5068

It's that time of the year when we start to plan for the 2026-27 Bowling Season. We hope to start bowling either at the end of October or by the first Friday in November. We are a 21 week league and our season ends in late March or early April. We start our warm-ups at noon and are heading home by 3:00 p.m. or earlier. We need to know as soon as possible how many teams to plan for. Last year we decided not to have prize money and our bowling fee was \$12.00 per person per week. I haven't inquired about this year's fee but I will in the near future. If you are interested in bowling please call or text me at 815-257-5068.

MONTHLY POTLUCK DINNERS

Dave Bisone & Helen Cheatham, 815-257-5068

Helen and I have commitments for September, but we plan on having our first Friday night Potluck on October 2nd at 5:30 pm. All residents in the community are welcome to come and enjoy meeting and eating with your neighbors. We only request that you sign up in the clubhouse and bring a food or dessert item that will serve 12 people. We have a lot of great cooks and try to have a different nationality food theme each month. You guessed it, October will be German food month, but you need to bring your own Jägermeister, Radler, Gluhwein, Korn, and Bier, yes BYOB. Hope to see you all in October.

8-DAY HURRICANE EVACUATION PLAN

Stu Cooke, Horizon Village Co-op Inc.

President, 239-217-4843

The Co-op Board of Directors would like all residents to be prepared for the upcoming storm season. Please heed notices that are circulated by local media outlets, your Lee County agencies, and your community organizations. As recent storms have shown, your key to survival could very well rest upon **your** level of preparedness. The association cannot emphasize enough the importance of each unit taking stock, beforehand, of your supplies and the need for a plan to evacuate when the authorities give the order.

Remember – **THE CLUBHOUSE WILL BE LOCKED** – prior to and during a major weather event. When winds become a sustained FORTY miles per hour, first responders must wait for the passage of the storm. If you have an emergency, you will be on your own until the authorities declare it safe for teams to travel. The following guidelines could prove helpful:

If given notice of a storm's potential development, assess your supplies.

8 days out – monitor the storm, check household supplies, locate a safe zone.

7 days out – monitor the storm, check home safety features, check fuel levels, have cash on hand in the event of loss of power in the area.

6 days out – monitor the storm, prepare your evacuation route.

5 days out – monitor the storm, finalize safety plans, prepare your home.

4 days out – monitor the storm, call contacts, evacuate if necessary.

3 days out – monitor the storm from the location which you have chosen.

*****PLEASE PREPARE AND BE SAFE*****
