CO-OP CLIPS

Stu Cooke, Horizon Village Co-Op Inc. President, 239-217-4843

Enter the summer heat and humidity, wow! Please make every effort to remain hydrated and to take a break from the direct sunlight. Many of our residents end up at Convenient Care (or worse) only because we become forgetful of some basic health tips. As the heat index climbs well into the 100s, let us not assume our elder friends are simply okay and indoors. Spend a moment and see if a couple of days newspapers are still on the driveway. Or have I seen ol' Mac down at the mailbox??? Maybe I had better check. Thoughtfulness for our neighbors is what keeps us independent and secure. Please keep an eye out!

It is our annual trek into the storm season. All the groups in the community cannot stress enough to NOT TURN A BLIND EYE when weather warnings are posted or sent. The storm guides are in print and should be available at local outlets for you to take. Please carve out a little time to stock up on some necessities for you and your loved ones (okay – your pets) ...When the proverbial stuff hits the fan, you will be glad you did.

I would like to remind everyone that Horizon Village is indeed a wonderful place to spend your retirement years. The social atmosphere is still brimming with things to do. The clubhouse allows for a good change of pace during the heat of the day, and one can usually find something to pass the time. Check out the newsletter calendar or the back cover. The chairpersons for all those activities are listed for your benefit.

And finally, the sale of the park. Yes, it takes time to gather all the correct information from 394 members. As confusing as it may seem for some, our legal team will check and re-check the information given to make sure the final version is correct. MHM will take the time needed to not invest mistakenly. And finally, the underwriters will check to make sure all is free and clear. All of this must come together before the closing can occur.

Residents may rest assured that the Board will keep you abreast of matters of importance. Community meetings may still happen, with open conversations to handle any questions. Please be patient.

SOCIAL ACTIVITY COMMITTEE

Vicki McMahon, Social Activity Committee Liaison, 419-366-2966

Celebrating the United States of America's 250th birthday this July 4th will be a highlight of this month! BBQ, great friends and neighbors, and games with some friendly competition will round out the day, still allowing you time to go watch fireworks in the evening. How amazing that we are alive to witness this special anniversary of our country's freedom!!

It is vacation time for many residents who are heading to various destinations and the calendar is reflecting the slower pace of the community's social vibe. Upcoming events will include a dance July 11th with Rockin' Ric from 7 pm-10 pm and DJ Trivia on July 19th. Tickets for events are on sale Monday mornings in the clubhouse from 10 am-12 noon and are open to all residents. New residents are encouraged to join in and meet their neighbors while having fun and being entertained. Information about the events can be found on the bulletin board in the clubhouse and weekly E-blasts.

Stay cool, my friends, because Mother Nature is having a hot flash!

HVA HORIZON VILLAGE ASSOCIATION

Karen Senesac, 614-313-7339

As the weather heats up, we hope everyone is staying hydrated and cool! We are in the final revision of our bylaws and administrative regulations. We will need to have our attorney review it and the membership approve it. This will happen during a General Board meeting.

In the meantime, we thought we would have a cool, refreshing time together. Beat the summer heat and join your friends and neighbors for an enjoyable time at our **Golden Summer Lemonade and Karaoke Social**. We are inviting all the residents of Horizon Village to come to our July Social. It will take place on Saturday, July 25, from 5–8 pm. Tickets, \$5.00, will go on sale starting on July 6th.

So, grab your hat and join the cheer, a refreshing time is waiting here! When the sun is shining bright and high, come sip lemonade and stop on by.

Sweet or tangy, fizzy or plain, cool off, relax, and beat the heat again. Add some fruit or a sprig of mint, try a new flavor—with just a hint! Play games, bring a friend or two, there's laughter, treats, and fun for you!

We'll be serving hot dogs, chips and delicious lemonade with a variety of flavors and fun add-ins to make your perfect summer drink. Whether you prefer classic lemonade, a fruity twist, or something sparkling, there will be plenty of options to enjoy. We'll also have games, laughter, and great company! Bring a friend, meet new neighbors and spend a relaxing time celebrating the joys of summer.

CERT HORIZON VILLAGE

Deb Loehr, Planning Manager, 440-525-3013

Hello Horizon Village, Happy Fourth of July! As we celebrate 250 years of our nation's journey, may we continue striving to be one

nation, indivisible, with liberty and justice for all. Hope everyone is enjoying family and friends and looking forward to the new adventures for all Horizon Villagers.

Throughout these summer months, CERT members remain active and at the ready should our training skills be needed. CERT is currently updating our communication devices for more fluent communication with NFMFD and other entities should an emergency develop. Please be mindful of any and all weather related information as it occurs. The weather can change very quickly in southwest Florida. Have your plans in place and "go bags" ready for you and your pets. Stock up now on water and batteries. Take care of each other. BE SAFE

8-DAY HURRICANE EVACUATION PLAN

Stu Cooke, Horizon Village Co-op Inc. President, 239-217-4843

The Co-op Board of Directors would like all residents to be prepared for the upcoming storm season. Please heed notices that are circulated by local media outlets, your Lee County agencies, and your community organizations. As recent storms have shown, your key to survival could very well rest upon your level of preparedness. The association cannot emphasize enough the importance of each unit taking stock, beforehand, of your supplies and the need for a plan to evacuate when the authorities give the order.

Remember – **THE CLUBHOUSE WILL BE LOCKED** – prior to and during a major weather event. When winds become a sustained FORTY miles per hour, first responders must wait for the passage of the storm. If you have an emergency, you will be on your own until the authorities declare it safe for teams to travel. The following guidelines could prove helpful:

If given notice of a storm’s potential development, assess your supplies.

- 8 days out – monitor the storm, check household supplies, locate a safe zone.
- 7 days out – monitor the storm, check home safety features, check fuel levels, have cash on hand in the event of loss of power in the area.
- 6 days out – monitor the storm, prepare your evacuation route.
- 5 days out – monitor the storm, finalize safety plans, prepare your home.
- 4 days out – monitor the storm, call contacts, evacuate if necessary.
- 3 days out – monitor the storm from the location which you have chosen.

*****PLEASE PREPARE AND BE SAFE*****
