I Love My Hearing Aids

Being a small business owner it is important for us to know how clients find us. Whenever a new client comes into our office we always ask, how did you find us?

During the shutdown due to covid, the majority answered "online" since there weren't any gatherings.

Now that we are able to get together we are getting more referrals from existing clients. They tend to say, 'my neighbor said I wasn't hearing well and should see you.'

My favorite this year came from Betty. When asked, "How did you find us?" she said, "I overheard my friend, Shirley, say she loves her hearing aids". That is a direct quote.

Betty explained that other people complain about their hearing aids, especially when trying to understand conversations in groups. Yet Shirley was in a line dancing class and while talking to another woman said, "I love my hearing aids."

Hearing someone say they love their hearing aids, Betty knew she had to check it out. Betty walked over to Shirley and asked, "who helps with your hearing aids?"

When I heard the story I was thrilled to know how well we had fitted our client Shirley. Knowing that Shirley is able to be social and hear with confidence is our intention.

Our goal is to help clients hear well in groups. To know that we helped Shirley hear well in a dance class and so well that she shared how much she loves her hearing aids is such a great testimony for us.

If you struggle to hear conversations clearly in crowds, call for a free demo of hearing aids, and possibly ones that you might even love.

VENICE LIONS CLUB

Time is marching ahead at the Venice Lions Club at a fast pace.

We would love you to join our club and experience the gifts we share with our community.

I was honored to be President as we celebrated 75 Years of Service last year.

Activities have expanded, membership has expanded and now we will be expanding the Venice Lions Club Board of Directors.

We have over 40 different committees you can join. It's up to you how much you want to get involved.

Besides helping our community, we gather as a club twice a month for dinner and a general meeting. How better way to meet new friends.

The clocks will be changing in two weeks and we need to find a balance with the shift of longer days and shorter nights.

Tuning our awareness with the cycles of nature comes with it an understanding of our own cycles.

Each of us need to find a balance; adjusting to the weather and comfort our emotions.

We also need to embrace change. Shedding the old and making room for new growth.

It is time for us to release our ideas and beliefs that have kept us from growing.

As with trees, it is time for Venice Lions to make change happen. In doing this we must accept changes. Letting go is not about having less; but allows us to have more.

What have I learned over the year? Did I recognize and be thankful for all members?

I ask you to write down all that you are thankful for, and where you could be more generous with your time. What you write will create a reality in which we live.

I would love to chat with you personally about the Venice Lions Club.

Please contact me directly at louiseelleo@aol.com. 919-413-3732

Meet Katja the Yoga Instructor:

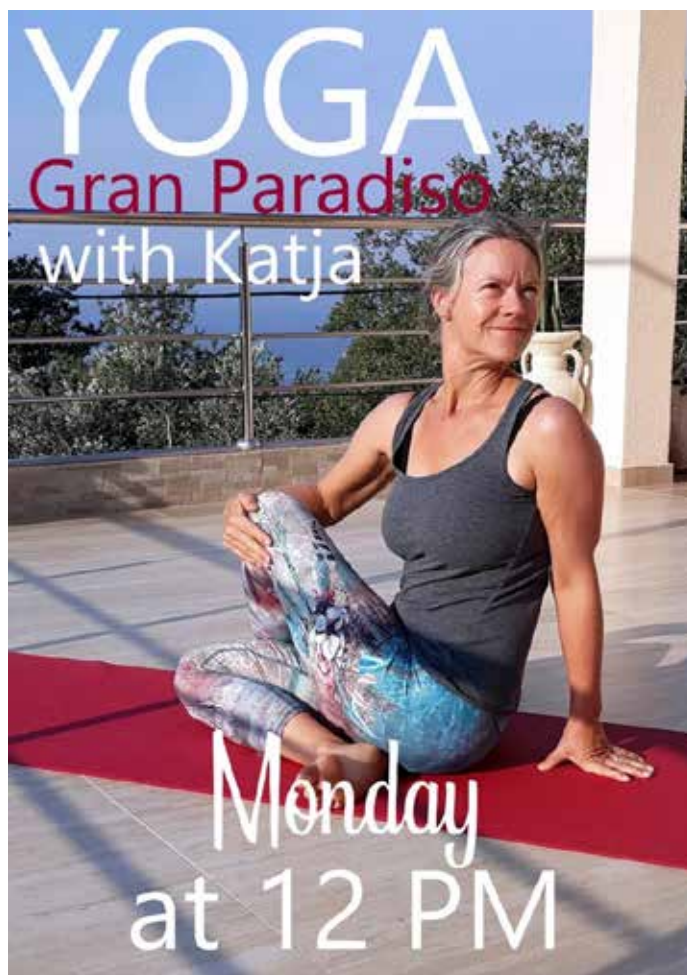

Before moving to the US in 2006, Katja had enjoyed a successful sales and marketing career in Europe. The move to the US changed her career path.

After enjoying Yoga for several years, Katja became a certified Yoga Teacher in 2016, and she truly enjoys teaching and practicing Yoga. Most of her yoga classes are based on Hatha Yoga and are designed for all abilities and all ages. She makes it fun, relaxing and strengthening.

Katja finds it challenging and rewarding to teach a group of Yoga students in different stages of their lives, on divergent paths in their journeys into Yoga and with various fitness levels. She says, "to see the will and effort of these students to improve and accomplish their goals, each in their way, is highly humbling yet gratifying."

Katja also teaches Beach Yoga on Manasota Beach classes are Mon through Sat 8:30 AM and on North Jetty Beach Daily at 9 AM. Katja enjoys playing guitar and singing, jumping on a rebounder, and traveling.
