## **HAPPY OCTOBER GARDEN** **RESIDENTS**

Hard to believe October is here and Fall is arriving. We are so excited that our Northern Family are starting to come back home here at the GARDENS. What an October we have scheduled for everyone starting with our Fall dance on October 4th hosted by Peggy and Fran featuring a new band to the Gardens Silver Alert. Tickets are on sale at Tuesday coffee. Then on the 25th we are having a WOODSTOCK theme dance featuring music from another New band The BOOMERS hosted by Patty and friends. Tickets are also available at Tuesday coffee. Please come out and show support for both of these NEW BANDS and socialize with all of our neighbors. Still at the end of the month October 31st Kelly and Joe will be hosting a Halloween golf cart parade and party keep an eye out for details. Official BUSINESS note at the end of the year we have 4 positions on the PLSC BOARD coming up for elections. Anyone interested in filling these positions to keep the social club moving forward with helping our neighbors to enjoy more events in our community let any current BOARD member know. So we can let you know all of the duties.

## TGHOA AND YOU AND THE GARDENS

We are working daily for all residents. Safety is a major concern. Whether it is safety while walking, driving or swimming we want everyone to be safe and secure. Please join TGHOA today, if you are not already a member, because there is super strength in numbers. Let's set a record in 2025/26 – 26/27 – 27/28.

A few things TGHOA has advocated for and most gotten done recently:

- Sidewalk grinding between parking lot and clubhouse,
- Landscaping,
- Better street signs,
- Mailbox light in center aisle,
- Stop signs,
- Brighter lighting in the parking lot,
- Handicapped button on clubhouse doors,
- Handicapped lift in pool,
- Debris cleanup after Milton,
- Safety training (ongoing) with Parrish Fire District,
- Vial of Life packets,
- First Aid Kits,
- Initiated Community Emergency Response Team,
- Tennis/pickleball courts fixed,
- Streets and speed bumps repair,
- New lakes management – maybe not pretty yet but more wildlife.

Please help make TGHOA stronger.

Ted Birchmeier, President  
TGHOA

## THE GARDENS

What a fantastic time my family and I had celebrating with The Gardens as football season kicked off in style at the Show Your Spirit parade and tailgate party! The energy, the community, the fun—it was unforgettable. I'm already counting down to more fall festivities, especially the Halloween parade on October 31st!

Our community is buzzing with exciting improvements! The paving of three streets has been completed, making for smoother drives and strolls. The fitness center just got a boost with two brand-new treadmills, and the fresh landscaping around the clubhouse adds a vibrant, welcoming touch. It's wonderful to see these enhancements taking shape!

I'm thrilled to share that the Clubhouse redecorating is officially complete! With fresh paint, new carpet, elegant furniture, and thoughtfully chosen artwork, the space has truly come to life. A big thank you to all our residents for your patience and understanding throughout the process. Special appreciation goes to Wayne Gregory for his constant help moving chairs and tables in the ballroom, and to Chery Edwards and her amazing team for clearing out the books and giving the shelves a thorough refresh. It was a true community effort!

For our October Resident Spotlight, we're proud to recognize the incredible efforts of our Neighborhood Watch team. Nearly 50 committed residents volunteer once or twice a month, patrolling the community either solo or with a partner—using the Gardens golf cart or their own.

The Neighborhood Watch was created to promote awareness and encourage neighbors to protect one another's property through vigilance, preventive action, and swift response to suspicious activity. In addition to their safety patrols, the team also places ribbons on lampposts that are not lit to help identify areas in need of attention. Currently, there are approximately 131 ribbons throughout the community—so please take a moment to check your lampposts and help us keep the lights shining bright!

Warm Regards,  
Christina Szymankowski  
Community Manager

## **WASTE NOT WANT NOT**

Extracted from: <https://www.mymanatee.org/departments/utilities-department/solid-waste-division/big-bin-advantage>

Starting October 9, 2025 for The Gardens, garbage, yard waste, and recycling will all be collected once per week all on the same day. Each material type will be picked up separately, but all collections will occur on Thursday.

### **What to Expect:**

- One collection day per week (Thursday),
- Three separate pickups: one each for garbage, recycling, and yard waste,
- Place all items curbside by 6:00am on Thursday, following the separation guidelines.

Weekly garbage pickup is limited to the contents of your bin. If you have extra items that won't fit, you can schedule a special pickup in advance for a fee by calling 311 or submitting a request online to the 311 Division. Alternatively, you can take the excess waste directly to the landfill.

Place bins 3 feet from the curb and keep it/them at least 3 feet from cars, mailboxes, meters/backflow assemblies, yard waste, and any other obstruction.

Starting October 1, 2025, plastic bags will no longer be accepted for yard waste. Yard waste must be in bins, bundles, or paper lawn and leaf bags. Yard waste will not be collected if it is not properly packaged.

Bulk items are collected per item for an additional fee. Call 941-792-8811 to schedule a pickup or request another bin or if you have any questions.

## **WE NEED YOU**

Come and join us for a lively, kinda, night of pinocle every Wednesday from 6:30 – 8:30pm. Please arrive about 10 minutes early so we know whether we are playing 3 or 4 handed and how many tables. It is single deck and with teams (4 handed) we pass cards. Think of it as a step up from hand-and-foot and a step down from bridge, but a lot of fun.

## **FUTURE SPECIAL OR ONGOING EVENTS**

If you coordinate either special events or regular ongoing events, please double check the center fold and let Alex Matich know if the days/dates/times are correct. As you return for the season, please let Alex know electronically about activities that will resume (days and times). How about Art Club, Cornhole, Caregiver and Loved Ones Group, Chair Exercises, Regular Euchre, Bid Euchre, Pickle Ball, Meetings?

## **NEW WINDOWS 11 COMPUTER?**

If you are going to buy think about:

- Brand: Dell or HP (USA), Asus or Acer (Europe), Lenovo (China)
- Software: Windows 11 Home
- Processor: I5, I7 or I9, Ryzen 5, 7 or 9 (Not Celeron)
- Storage: SSD 250(256) or 500(512) GB
- RAM: 8 or 16GB

Remember that the sales person wants you to buy what they want to sell NOT what might be best for you. Do not buy a Chromebook. It will be cheaper but you will not be happy.

## **CHARLENE'S DANCE PARTY**

Beginning October 9th and every second Thursday of the month after that, we will be having fun at the pool pavilion beginning at NOON. It is a good workout and a lot of fun. For more information contact Charlene Batalia (813-545-8300).

## **INCIDENT REPORT AND TGHOA**

In order for TGHOA to assist you, please **go to the office and report** any situations, difficulties and make sure you leave with a written copy of your incident report. After this is done, please give a copy to TGHOA so it can follow-up. Whether it is a neighbor's yard, carport, driveway or any situation that makes you feel uncomfortable, go to the office and file an incident report.

The office is here to help. Please make sure that you inform TGHOA about this and if possible, give a TGHOA board member a copy. We don't have any standing to represent you if you don't go to the office first and let TGHOA know.

## **THE GARDENS BOOK CLUB**

We have been taking a break over the summer and will resume our meetings in November. Over the summer we have been reading "Anxious People" by Fredrik Backman. We will discuss this book at our November meeting on November 13, 2025.

Books for future months are:

December 11, 2025 "Educated" by Tara Westover,  
January 8, 2026 "The Sound of Gravel" by Ruth Wariner.

We will select books for future meetings at our January meeting. If you have read something you would like to share with others, please attend in January and let us know. Monthly meetings are the 2nd Thursday of each month at 10 am in the clubhouse library. Please contact Lynn Johnson 612-889-9296 (phone and text) with any questions.

## **WALKING WHILE DARK**

There are a few of us that walk, bike, walk our dog or drive after dark or before sunrise in the morning. PLEASE – PLEASE wear light colored clothes and/or reflective clothes and some type of light so you can be seen. I hear often from people that they almost hit someone because he/she was walking or bike riding and wearing dark clothes.

TGHOA offers reflective vests, a great investment. You can buy lights that you can wear. At a minimum you need a good flashlight that is turned on, not turned off in your pocket. It is better to be safe than a statistic. You can even get a lighted collar for your best friend. It is getting dark sooner at night and staying dark longer in the morning PLEASE make sure you can be seen in the dark.

## **NEIGHBORHOOD WATCH NEEDS YOU**

We are in need of additional people to help with neighborhood watch. It involves riding around the park once a month for an hour, or a little longer depending on your speed, using a golf cart provided by The Gardens. We are a non-confrontational group where your cell phone is your most important asset. While we suggest doing it as a group of two people, a single person can do it. There are a few more things to know but it isn't complicated.

If you are interested, please contact Alex Matich (ajmatich@outlook.com) and he will get back to you. Email or text (607-644-3176) are the best ways to contact me, my phone is often set on do not disturb mode so calls happen that I don't know about until after they happened. If you call and it goes straight to voice mail please leave a message.

## **PHANTOM HACKER SCAM**

A cybersecurity expert, Pete Nicoletti, chief information security officer at Check Point, warns that a scam has been used to drain entire life savings or retirement accounts and has become devastating for seniors.

FBI Los Angeles on July 15 posted a reminder on X about the Phantom Hacker Scam, which has cost

Americans over \$1 billion since 2024. The FBI said the scam targets senior citizens and warns that victims could lose their life savings.

The scam operates in three phases: a "tech support impostor," "financial institution impostor" and a "US government impostor."

In the first phase, a tech support impostor will contact victims through text, phone call or email, then direct them to download a program allowing the scammer remote access to their computer. Then, the scammer asks victims to open their financial accounts to determine whether there have been any unauthorized charges, which the FBI says is most lucrative for targeting. Afterwards, the scammer will choose an account to target, then tell the victim they will get a call for further instructions from the fraud department of their bank.

In the second phase, the financial institution impostor will then call the victim and inform them that their funds have been accessed by a hacker and must be moved to a safe third party account. Victims are then instructed to send the money via wire transfer, cash or cryptocurrency, and are told to send multiple transactions over a span of days or months.

In the third phase of the scam, the victim could be contacted by someone posing as a U.S. government employee, who prompts the individual to move their funds to an alias account.

Many seniors are posting things on Facebook like "they're a Corvette collector". The criminals are using artificial intelligence to look for those types of characteristics and profiles. They'll send you an email or a message saying, "hey, that Corvette that you ordered a month ago is now available and for \$500 you can get it and we'll deliver it to you right away. And of course, the senior thinks, 'well, I'm a Corvette collector and maybe I was forgetful and ordered that Corvette."

If victims report their funds stolen the same day, there's a chance. It's 10, 15%. If it is delayed beyond that, it's not good. It's gone.

## THE GARDENS CRUISE – PUERTO RICO+

Just think in 5 months those of us who have paid our final payment will be headed off to Puerto Rico and other Islands, 2/1 – 2/8/25. To get to Port Canaveral, we will have a bus pick us up here at “The Gardens” parking lot. My original estimate was for 30 people and if we have 46 or more, it will be much lower at \$100 each. (That is for the bus to pick us up on 2/1 and then to return us on 2/8). **IT IS VERY IMPORTANT THAT I KNOW AS SOON AS POSSIBLE IF YOU ARE NOT GOING ON THE BUS**. Please call or text me (Diane Benedict) at 607-221-6741. If you plan on going on the bus, you have to do nothing. I will be collecting in November or December but will let you know when.

NOTE: We are also planning a meet and greet in the afternoon of January 31st for all those going on the cruise. More to follow on this. Diane
