## CO-OP CLIPS

**Stu Cooke, Horizon Village Co-op Inc. President,  
239-217-4843**

Welcome to the “pre-season” where all things will begin looking forward to our snowbirds returning and the hustle n’ bustle that goes with it! It is the Board of Directors wish that all residents join in on the events and activities that have always made Horizon Village the “jewel” of SWFL. Our residents have worked, raised families, experienced the ins n’outs, ups n’ downs of everyday life to make it here. Let us enjoy it.

Recently, it would seem that some folks have made a conscious decision to place personalities before principles as it applies to living in harmony with the rest of the community. Each member of the Board values every person’s opinion that takes up residence here. There are too many activities and events that could fulfill the essence of your being to let insignificant differences spoil your time here. Just think of all the sirens and flashing lights that occur every day. Be honest with yourself, did you invest here just to complain? The Board, through the Social Activity Committee, would like for all to join in and share ideas so that we might age merrily together. Horizon Village is a wonderful place with wholesome people. If you were to give a simple smile and friendly wave to those around you, the peace of mind that you seek might be found.

Your Board of Directors are compelled (and committed) to follow Florida Statutes, our By-laws, and the Rules and Regulations of our community. The established procedures for accessing information, answering questions, or voicing concerns have always been successful and we will continue to utilize those methods. Group activities must go through established means for us to properly govern the ebb and flow of peoples’ wishes within the community. Even as some might believe that a reasonable assembly is their right, it must be done through proper navigation of the Associations documents. The other residents just might have some rights too! Your Board acts after taking stock of the happenings which are brought to us. We do speak about situations, whether it be the Executive Board, Management and President, or through notification to all members. The Board cannot and will not attempt to practice governance through social media. Who wants to try and keep up with the six or seven sites filled with opinions? Use the process!

There is much to discuss as the Association is

concerned. Projects are nearing the beginning stage and actual dirt might be displaced so that construction can take shape! We are expecting multiple bids for the mailbox project, and the amenity “final version” will be sent to general contractors and a couple of individual companies. The permit for the mailboxes exists and the final review for the amenity is *supposed* to be completed shortly after this goes to print! What a long haul! This all began with a simple vision during the pandemic. If the costs are right, we might really see something within a year. Please don’t count your chickens quite yet.

Now for the other shoe! Your President has received unsolicited offers, again for the sale of the park. The amounts offered are sufficient so that the membership needs to be apprised of the situation. We have had informational meetings for the shareholders and the homeowners. **If** a proper letter of intent (LOI) is agreed upon, residents will engage in multiple “town hall” meetings with any prospective buyer. Each group, shareholders and homeowners, would have access to question-and-answer sessions with any prospective purchaser. Many seasoned residents know firsthand how this process can be full of questions, doubts, non-truths, and misinformation. Your Board will ask you to be patient, attend meetings, and gain the information necessary for you to make an informed decision about what it is that **you** feel is appropriate for **your** situation now and for the years to come. This too is a lengthy process.

## SOCIAL ACTIVITY COMMITTEE

**Vicki McMahon, Social Activity Committee Liaison,  
419-366-2966**

2026 Social Activity Committee (SAC) membership will be on sale beginning Saturday, September 27th from 8-8:50 am before the Co-Op board meeting. Memberships will also be on sale every Monday before Bingo from 4:30-5:30 pm. Cost per membership is \$10.

October brings many of our snowbirds back to the community and with it, the anticipation of gathering with friends and neighbors.

NEW to the community? Once you are settled in, join us at the clubhouse and participate in a game of cards, exercises at the pool, chair volleyball, shuffleboard, bingo, billiards, potlucks, ladies’, and men’s lunches. Look at the top of the calendar in the newsletter for the many daily activities.

There have been a few new activities added to the calendar. Sign up at the clubhouse for the Golf Cart Poker Run on October 5th, then test your knowledge at Trivia with DJ Dan returning on November 16th, January 11th, February 15th, and April 12th. No need to sign up for Trivia, just pay \$3.00 at the door and prepare to enjoy a stimulating evening of fun and laughter. Do you prefer outdoor activities? Bocce ball has been resurrected and meets on Saturday mornings at 10:30 am on the Bocce courts.

The Social Activity Committee encourages you to volunteer some of your time to help any of the chairpersons at potlucks or dinners. People are always needed to prep, serve, and clean up at these events. We cannot have these events without participation and new people are needed. I have volunteered to host our Thanksgiving Day Dinner this year. I am asking for volunteers who will help make it a delightful holiday event for all. You can call me at 419-366-2966 if you can offer some of your time.

A shout out to Karen Senesac for hosting the Tailgate Party on August 30th and National Milkshake Day on September 12th. Wouldn't it be fun to have a Tailgate Party for a Bowl Game? Something to ponder.

Here's hoping for cooler weather, the return of our snowbird friends, meeting new neighbors, and no major hurricanes! Until next month, my friends!

## 8-DAY HURRICANE EVACUATION PLAN

*Stu Cooke, Horizon Village Co-op Inc. President,  
239-217-4843*

The Co-op Board of Directors would like all residents to be prepared for the upcoming storm season. Please heed notices that are circulated by local media outlets, your Lee County agencies, and your community organizations. As recent storms have shown, your key to survival could very well rest upon your level of preparedness. The association cannot emphasize enough the importance of each unit taking stock, beforehand, of your supplies and the need for a plan to evacuate when the authorities give the order. Remember – **THE CLUBHOUSE WILL BE LOCKED** – prior to and during a major weather event. When winds become sustained FORTY miles per hour, first responders must wait for the passage of the storm. If you have an emergency, you will be on your own until the authorities declare it safe for teams to travel. The following guidelines could prove helpful:

### **If given notice of a storm's potential development, assess your supplies.**

- 8 days out – monitor the storm, check household supplies, locate a safe zone.
- 7 days out – monitor the storm, check home safety features, check fuel levels, have cash on hand in the event of loss of power in the area.
- 6 days out – monitor the storm, prepare your evacuation route.
- 5 days out – monitor the storm, finalize safety plans, prepare your home.
- 4 days out – monitor the storm, call contacts, evacuate if necessary.
- 3 days out – monitor the storm from the location which you have chosen.

\*\*\*\*\*PLEASE PREPARE AND BE SAFE\*\*\*\*\*

## MILKSHAKE SHOP

*Karen Senesac, 614-313-7339*

Thank you to all the volunteers for making National Milkshake Day such a grand success. Almost fifty attendees enjoyed our incredibly special milkshakes. Friends and neighbors enjoyed laughter and competition playing left-right-center. Thank you for making it a special afternoon. We look forward to scheduling this event in the future.

## QUILTING

*Joyce Mehevic, 239-543-2635*

Quilting will begin on October 22nd at 9:30 in the game room. All skill levels are welcome. Have questions? Call 239-543-2635.

## Horizon Village Bowlers

*Dave Bisone, 815-257-5068*

It's time to start organizing the Horizon Village Bowling League for the 2025-2026 season. I spoke to the bowling alley manager, and they have reserved up to 12 lanes for our league. We had six teams last year and we hope to have more this year. We will begin bowling either October 31st or November 7th at 12:00 pm. We will bowl a 21- week season, ending either March 20th or 27th, if we agree to bowl the day after Christmas and New Years.

The bowling fee for this year will be \$12.00 per week, without prize money. The bowling alley has agreed to only start charging bowlers once they start bowling. This means snowbirds won't pay for bowling until they arrive and bowl. A sign-up sheet will be in the clubhouse and if you have any questions, feel free to call me. **Snowbirds, please give me a call and I'll put your names on the list.**

### “Where the Duck?”

Every month two little HV ducks will appear somewhere around Horizon Village. You will find them in any common area: on the stage, in the lobby, on the shuffleboard court, in the pool area, in a potted plant, on top of a mailbox, etc. You get it! Winners will get a \$5.00 voucher for any HV activity. There is no expiration date on the voucher, so it can be turned in at any time.

Two (2) more ducks will be set loose October 1st. Turn them into **Linda Rex (941-626-6860)** to get your \$5.00 voucher and your name in the newsletter. September winners were Linda Haugland and Sherry Greene. Remember the ducks can be found in any common area, not just inside the clubhouse. Join in on the fun! Previous winners and where they found a duck will be posted on the clubhouse bulletin board.
