FROM YOUR PRESIDENT

It is October so our snowbird neighbors will be returning, and we look forward to seeing them and seeing an increase in attendance at our events. In our September Members meeting, some good ideas were shared regarding future activities which the board has intentions of scheduling, and we are always open to suggestions that bring our community together. As you can see in the events section below, we have a community luncheon scheduled for the second Friday of each month. We have also scheduled a Halloween party with a DJ on 11/1 as well as a dance with a live band on 11/22. We will have a Thanksgiving dinner at the clubhouse on 11/27.

As a reminder, the election of HOA Board members is in December.

Anyone interested in joining the board can contact our volunteer election committee, Barb Nash, Sue Dow or Marcie Jackson. Thank You ladies for your help. You can also submit your name in the black box and the information will be forwarded to the committee.

In closing, I'll mention a quote that seems appropriate:

"Alone, we can do so little; together, we can do so much." — Helen Keller

Warm Regards,
John Lane

TRIVIA CORNER

Halloween Trivia

1. The earliest record of people dressing up for Halloween goes back to Scotland and Ireland in the 16th century.
2. Halloween traces back over 2,000 years to the Celtic festival of Samhain, when people believed spirits returned to Earth at the end of the harvest season.
3. The tradition of carving Jack-o'-Lanterns started in Ireland with carved turnips, not pumpkins. Pumpkins became popular in America because they were larger and easier to carve.
4. The practice of trick or treating has roots in medieval Europe's tradition of "souling", where the poor went door to door asking for food in exchange for prayers.
5. During Samhain, people believed the veil between the living and the dead was at its thinnest, allowing spirits - and sometimes demons - to cross over.
6. The old tradition of placing candles in windows wasn't just decorative; it was meant to guide lost souls home - or keep malicious ones away.
7. Old folklore said that if you stared into a mirror at midnight on Halloween, you might see your future spouse - or a skeleton, meaning death was near.
8. The world's heaviest pumpkin (as of 2023) weighed over 2,700 pounds.
9. The image of a witch flying on a broomstick came from a mix of folklore and hallucinogenic plant rituals in the Middle Ages.
10. Americans spend over \$3 billion on Halloween candy every year, making it the biggest candy selling holiday after Easter.

SCAM

ALERT

Family Scams

Scammers are good at **pretending to be someone that they're not**. They try to trick you into thinking **a loved one is in trouble**.

Once the scammer makes you think they're your grandson and in trouble, they pressure you to quickly send them money. **But it's all a scam.**

Your family member was never in trouble.

- The scammer will say it's **urgent** and that you're the only one who can help.
- The scammer might tell you it's **important to keep it secret**. They don't want you talking to other family members and friends and realizing it's a scam.
- The scammers will **play with your emotions**. They're counting on you to act quickly to help your family or friend. And they're counting on you to pay without stopping to check out whether there's really an emergency. If you get a call like this, you can be sure this is a scam.

Slow down. Verify.

Example of a Family Emergency Scam Call

Hi Grandpa, it's me.

Sebastian? Is that you?

Yes, it's me, Sebastian. Grandpa, I'm in trouble, and I need money for bail.

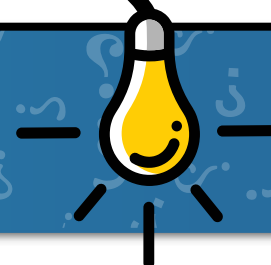

What happened?

Please don't tell Mom or Dad. I'll get in so much trouble.

Please help me!
