This is a friendly reminder covering several important community guidelines and updates:

**1. Pet Policy**

- All pets must be **ALWAYS** kept on a leash when outside their owner's home.
- **Pets may not be left unattended** outside the home or in a screened room.
- Pets should only be walked in **your own yard, on the side of the road, or in designated pet walking areas.**

**2. Vehicle Safety**

- Motor vehicles must be operated **safely** and **never exceed the posted speed limit.**
- The **community speed limit is 15 MPH** — this applies to everyone for the safety of all.
- Please remind your **guests** of the speed limit as well.

**3. Wildlife Feeding**

- Aside from bird feeders, **feeding wild animals is strictly prohibited.**
- Residents are **discouraged from doing anything that may attract wild animals** into the community.
- **Violations will result in a fine** after the first warning. This fine will be treated as part of your **lot rent** and is **due with rent payment.**

**4. Pool Access Update**

**TRASH AND RECYCLING**

A reminder from the office regarding pickup schedules for trash and recycling:

The Recycling dumpster is emptied twice per week on Tuesdays and Fridays.

The office must call when the Trash Compactor is full – it is not on a scheduled pickup.

The Construction Dumpster cannot be transported to be emptied if the contents are over the top. If you find the dumpster full, you must take your load back home until the dumpster is available. You are not allowed to place it on the ground next to the dumpster.

Residents who violate trash policies and leave their garbage on the ground when dumpsters are full will be subject to fines.

Courtesy trash pickup on Tuesday is ONLY for residents with signed agreements at the office. Any resident who continues to leave trash out on Tuesdays will be in violation of the park rules. Rent does NOT include valet trash and maintenance does not have the time to provide this service. Please govern yourself accordingly. \*PLEASE DO NOT LEAVE OUT OVERNIGHT as it will attract strays. Thanks Nicole

**MICHELLE BOULEY CELEBRATION OF LIFE**

**HICKORY HILLS SPOTLIGHT**

Hello HHM!!

Today I interviewed the illustrious **JOYCE BRUSH**. She lives at 1424 Remuda Drive. When her husband Richard A Brush Sr.(or Richie as they call him) retired they lived on Spruce which was a single wide. Wanting more room, they moved to Remuda. Joyce has now been here for 25 years!! Joyce and Richie had four children: Sandra, Richard Jr., Susan & Jim. Three of them live in Florida, while Richard Jr still lives in Pa. where they were originally from. Unfortunately, her husband of 54 years passed away (1936-2010). The community came together and looked after her. Then in 2012 she met Howard, where they share a life together till his passing in 2022

When asked about management since she's been here, she said "some good, some not so good". The grandfather that owned HHM was Great!! He would visit the community often and interact with the residents.

When asked about what are some of her best memories, whew, I couldn't write fast enough! Here are some of her memories: Bus trips, cards, shuffleboard, dances, (featuring Rich Wilson), dinners (all holidays), plays, fashion shows, riding bikes. There were 15-20 people who would get together and ride around the community. So much FUN!! In conclusion, Joyce says she has a great life! Love all my friends I have made throughout the years!

I thank you Joyce for spending the afternoon with me and sharing your life. I would love to interview anyone who has lived in the community for 10 years or more. Please call me to set up a date/time Kathee Whitt 937-657-1205.

**Functions of the Homeowners Association**

Every so often someone asks, "What is the purpose of the HOA and why do we need one?" so the Board thought it would be helpful to inform residents of the functions in the newsletter once each year. It is really a good thing to have for the park community.

- The first and most important function of the HOA is to represent the renters (us) with the property owner (the people we pay rent to for the land our homes sit on) using the Florida 723 laws. Representation includes items like rent increases, improvements or maintenance around park-owned properties and any other problems a homeowner might have with the owner/managers. The HOA can't resolve EVERY problem to the satisfaction of EVERY homeowner but without an HOA there is no one who can negotiate with the property owner (landlord).
- Second, many of the fundraising functions are also community events that help bring us all together to socialize, have fun, and meet our neighbors: dinners out together, field trips, coffee and donuts, dances, and card games. None of these would happen without an HOA to collect monies and pay bills.
- The HOA serves as an accountable body that must abide by accounting principles and be audited each year. This assures all of us that money collected is properly spent on community functions/improvements/equipment. It is also responsible for paying any taxes levied by the state of Florida or the IRS.
- Fourth, it is a way to gather opinions/problems/needs from the entire community and brainstorm ways to try to resolve issues.
- Fifth, this body serves as a clearinghouse to help those who are unable to fully maintain their properties on their own. Things like painting, power washing, and clean-up are coordinated with volunteers who come out to help a neighbor in need.
- Sixth, the HOA functions as a body to propose and vote on park improvements. Some examples of these are pool improvements (tiling, furniture, covers, and fencing), tennis-pickleball courts, shuffleboard courts/benches, landscaping, etc. The HOA presents items to the owner who may pay all or part of the desired improvements and the HOA pays for part. This gives all community members better facilities and a nicer place to live.
- When community members feel the park is not being maintained properly, the HOA works with the owner to persuade him to take care of the problem.
- The HOA can take legal action against the owner if things are not being maintained or rent increases are unreasonable.
- The HOA is the body that raises money and organizes (with lots of volunteer help) an end-of-year dinner and dance that is free to all HOA members and available to non-members for a small charge. They also help with holiday dinners where the owner contributes money, but volunteers cook, serve, and clean up.
- Many items we take for granted are supplied through the efforts of the HOA: kitchen equipment used for HOA functions park functions and private parties; comfortable card tables; pool furniture, benches; a power washer available to anyone to wash their home; a trailer for in park use and other items as they may come up.
- Finally, the HOA supports the newsletter and park directory. The publisher furnishes printing supported by advertising but much of the content is provided by the HOA.

This is not EVERYTHING the HOA does, but the Board hopes it gives the community a good idea of things the organization does, and how it improves the lives of ALL residents at Hickory Hills Manor. Remember, WE'RE IN THIS TOGETHER!!
