**NOTES FROM STATUTORY**

This email was sent to the owners on October 20, 2025.

Dear Chris Garriss & Nicole

On behalf of the residents, I am reaching out to discuss the recent lot rent increase. We understand that costs may rise over time, and we appreciate the efforts made to maintain the community. However, over the past two years, we have seen a total increase of \$105 in lot rent — a substantial amount, especially considering that the community clubhouse remains unavailable for use.

Many residents are on fixed incomes, and the continued increases are becoming increasingly difficult to manage. In the interest of fairness and cooperation, we are proposing a compromise: a \$20 increase to the current lot rent for 2026, and a cap of no more than 4% above COLA. We believe this is a reasonable middle ground that acknowledges both the financial concerns of the residents and the needs of the ownership.

We hope to resolve this matter amicably and avoid the need for legal proceedings. We remain open to discussion and confident that, with respectful communication, we can reach a solution that benefits all parties.

Thank you for your time and understanding. We look forward to your response.

Respectfully,
Angel Owen
HOA President

We received response from Nicole and Chris as follows:

Good Afternoon,

We're aware of the challenges the HOA and residents have faced over the past couple of years without a clubhouse. We empathize with your situation and truly appreciate your flexibility and patience during this time. Please rest assured that the rent increase for 2026 will be very reasonable. While it may not be exactly as low as you'd like (\$0), we do expect it to be fair — and although we can't guarantee a specific number at this point, it's more than likely that it will start with a 1. You could let the residents know that you've successfully negotiated to avoid any substantial rent increases and will be working along side ownership on the furnishings and activities that will be provided at the new clubhouse.

Thanks again for your understanding.
Nicole & Chris

TRASH AND RECYCLING

A reminder from the office regarding pickup schedules for trash and recycling:

The Recycling dumpster is emptied twice per week on Tuesdays and Fridays.

The office must call when the Trash Compactor is full – it is not on a scheduled pickup.

The Construction Dumpster cannot be transported to be emptied if the contents are over the top. If you find the dumpster full, you must take your load back home until the dumpster is available. You are not allowed to place it on the ground next to the dumpster.

Residents who violate trash policies and leave their garbage on the ground when dumpsters are full will be subject to fines.

Courtesy trash pickup on Tuesday is ONLY for residents with signed agreements at the office. Any resident who continues to leave trash out on Tuesdays will be in violation of the park rules. Rent does NOT include valet trash and maintenance does not have the time to provide this service. Please govern yourself accordingly. *PLEASE DO NOT LEAVE OUT OVERNIGHT as it will attract strays. Thanks Nicole

HICKORY HILLS SPOTLIGHT*written by Kathee Whitt*

Interview with Pastor Dennis & Susan (Susie) Waldon. Susie lived in California and Dennis is from Indiana. They met in Washington where they both were working at a nuclear plant! Laughing,

they, “we are not radioactive anymore!” And then said, “we only worked there while the plant was being built. They got married in March of 1981 and moved to California. They have two sons and three foster sons, who were also brothers. Dennis worked at K-Mart for 14 years working his way up to Operations Manager. During their 44 years of marriage, they have moved 9 times. They lived in Price, Utah for 24 years. Dennis was a store manager for Dollar Tree for 7 years and also worked at a warehouse for a coal mine. When living in Utah, Susan worked in the school cafeteria for 24 years. Which was perfect as she had her summers off to be with their sons. While working in ministry positions such as youth group and Sunday school, the pastor heard Dennis played the guitar and asked him to become the worship leader, then he became Director of Missions. He and another pastor started a new church. Then Dennis started a church on his own. Then.... They moved to Florida to retire. First living at Woodbrook, then moving to our community Hickory Hills Manor. They have been here for 3 years. Non-denomination Church is at 10:30 on Sunday at the adult pool. Susie prepares all the music. Bible study is held on Wednesday at 10:30 at their house, 1512 Eldorado. Dennis said, what is very unique about this ministry is people who come to Sunday worship don’t attend Bible study and the people who come to Bible study don’t go to Sunday service. There is a monthly ladies lunch, finding different places in our area to enjoy. They show Christian movies on their lanai once a month and will be showing faith-based Christmas movies starting next month. There will be a Christmas Eve service at 6:00 pm (location to be determined) They have made many good friends here and enjoy going to the planned events, wishing more participants from the community would attend. It was such a pleasure talking to Dennis and Susie. I appreciate them taking the time to talk with me.

NEIGHBORHOOD WATCH

Those interested in forming a Neighborhood watch during the night hours, please see Angel. We need to get the word out that we are patrolling to deter people from coming into the park and also dumping junk in our trash bins. Once I have a list we will be calling Angie from LAPD to teach us how to handle these situations. I will also post a sign up sheet on the bulletin board next to the mail shed.

Functions of the Homeowners Association

Every so often someone asks, “What is the purpose of the HOA and why do we need one?” so the Board thought it would be helpful to inform residents of the functions in the newsletter once each year. It is really a good thing to have for the park community.

- The first and most important function of the HOA is to represent the renters (us) with the property owner (the people we pay rent to for the land our homes sit on) using the Florida 723 laws. Representation includes items like rent increases, improvements or maintenance around park-owned properties and any other problems a homeowner might have with the owner/managers. The HOA can't resolve EVERY problem to the satisfaction of EVERY homeowner but without an HOA there is no one who can negotiate with the property owner (landlord).
- Second, many of the fundraising functions are also community events that help bring us all together to socialize, have fun, and meet our neighbors: dinners out together, field trips, coffee and donuts, dances, and card games. None of these would happen without an HOA to collect monies and pay bills.
- The HOA serves as an accountable body that must abide by accounting principles and be audited each year. This assures all of us that money collected is properly spent on community functions/improvements/equipment. It is also responsible for paying any taxes levied by the state of Florida or the IRS.
- Fourth, it is a way to gather opinions/problems/needs from the entire community and brainstorm ways to try to resolve issues.
- Fifth, this body serves as a clearinghouse to help those who are unable to fully maintain their properties on their own. Things like painting, power washing, and clean-up are coordinated with volunteers who come out to help a neighbor in need.
- Sixth, the HOA functions as a body to propose and vote on park improvements. Some examples of these are pool improvements (tiling, furniture, covers, and fencing), tennis-pickleball courts, shuffleboard courts/benches, landscaping, etc. The HOA presents items to the owner who may pay all or part of the desired improvements and the HOA pays for part. This gives all community members better facilities and a nicer place to live.
- When community members feel the park is not being maintained properly, the HOA works with the owner to persuade him to take care of the problem.
- The HOA can take legal action against the owner if things are not being maintained or rent increases are unreasonable.
- The HOA is the body that raises money and organizes (with lots of volunteer help) an end-of-year dinner and dance that is free to all HOA members and available to non-members for a small charge. They also help with holiday dinners where the owner contributes money, but volunteers cook, serve, and clean up.
- Many items we take for granted are supplied through the efforts of the HOA: kitchen equipment used for HOA functions park functions and private parties; comfortable card tables; pool furniture, benches; a power washer available to anyone to wash their home; a trailer for in park use and other items as they may come up.
- Finally, the HOA supports the newsletter and park directory. The publisher furnishes printing supported by advertising but much of the content is provided by the HOA.

This is not EVERYTHING the HOA does, but the Board hopes it gives the community a good idea of things the organization does, and how it improves the lives of ALL residents at Hickory Hills Manor. Remember, WE'RE IN THIS TOGETHER!!
